Welcome New Volunteer/Intern/Companion:

We are pleased to acknowledge your prospective volunteer/intern/companion services with the NYS Veterans Homes and look forward to working with you. We hope you will find your new venture rewarding and enjoyable.

In the hopes of making your initial processing with us easier, enclosed you will find all the forms and materials we will be reviewing with you. Please take some time to read this material. You should fill out as much of it as you can before submitting the application. However, if you are uncertain about an item, leave it blank. We will assist you with each and every one of these forms during processing.

You will be scheduled for onboarding once we receive back your completed application. You will be notified by the facility that you are applying to volunteer at, of the appropriate next steps and onboarding date, time and location. Please remember to bring your driver’s license or another form of photo ID and social security card with you. Other forms of acceptable ID include: passport, birth certificate, INS Green Card, etc.

Once the necessary paperwork is reviewed at the time of processing, potential next steps include undergoing a physical review. If you have had previous pre-onboarding testing including vaccines, PPD (tuberculin) testing, chest x-ray, etc. and can provide documentation, please bring them with you on the day of processing. Pre-clearance testing and immunizations include PPD (tuberculin) testing and/or pulmonary assessment and tests for immunity to rubella, measles, influenza, pneumococcal disease and tetanus (within 10 years), as well as documentation of Hepatitis B vaccination. Please be advised that you may be directed to an off-site location in order to have blood work testing completed. This, of course, will be at no cost to you.

Final approval of your volunteer/intern/companion services will be based upon a successful completion of your medical and processing review.

Sincerely,

Facility Staff
