I hereby apply to the State Board for Professional Medical Conduct for an Order (henceforth "Modification Order"), modifying the Original Order, as follows:

- That Respondent shall, within 30 days of the issuance of the Modification Order, notify the New York State Education Department, Division of Professional Licensing Services, that Respondent's license status is "inactive", and shall provide proof of such notification to the Director of OPMC immediately upon having done so, and shall not reactivate or reregister the license at any time. NEW YORK STATE DEPARTMENT OF HEALTH  
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER  
OF  
JOHN JOSEPH SCHERMERHORN, M.D.

CONSENT  
AGREEMENT

JOHN JOSEPH SCHERMERHORN, M.D., represents that all of the following statements are true:

That on or about October 25, 1973, I was licensed to practice as a physician in the State of New York, and issued License No. 118395 by the New York State Education Department.

My current address is [REDACTED], and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one or more specifications of professional misconduct, as set forth in a Statement of Charges, marked as Exhibit "A", attached to and part of this Consent Agreement.

I assert that I cannot successfully defend against at least one of the acts of misconduct alleged

I agree not to contest the allegations, in full satisfaction of the charges against me, and agree to the following penalty:

Pursuant to N.Y. Pub. Health Law § 230-a(1), I shall be subject to a Censure and Reprimand.

Pursuant to N.Y. Pub. Health Law §§ 230-a(7) and (9), I shall be subject to a fine in the amount of one thousand dollars (\$1,000), to be paid in full within 30 days of the effective date of this Order. Payments must be submitted to:

Bureau of Accounts Management  
New York State Department of Health  
Corning Tower, Room 2784  
Empire State Plaza  
Albany, New York 12237

In making such payment, Respondent shall indicate the order number of this Order both on the payment check submitted and on the cover letter accompanying payment. Additionally, Respondent shall simultaneously mail a photocopy of the check and cover letter to:

Physician Monitoring Program  
Office of Professional Medical Conduct  
Riverview Center  
150 Broadway, Suite 355  
Albany, New York 12204-2719.

Pursuant to N.Y. Pub. Health Law § 230-a(3), my license to practice medicine in New York State shall be limited to preclude supervision of physician assistants or similar medical staff.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall comply with, and successfully complete, all terms and conditions of the Settlement Agreement entered into between Respondent and the New Hampshire Board of Medicine ("New Hampshire Board") on or about January 7, 2015 (and any extensions or modifications thereof).

Respondent, by making this application, asserts that Respondent does not currently practice medicine in New York State or in any setting or jurisdiction where that practice is predicated upon Respondent's New York State medical license ("New York Practice"). As a Condition of this Order, should Respondent in the future determine to commence New York Practice prior to successfully completing all terms and conditions of the Settlement Agreement entered into between Respondent and the New Hampshire Board of Medicine on or about January 7, 2015 (and any extensions or modifications thereof), Respondent shall, prior to commencing such practice, provide ninety (90) days advance notice in writing to the Director of OPMC. Respondent may not commence such practice until after Respondent receives the Director's written acknowledgment that this Condition has

been satisfied, and shall be subject to any further Conditions the Director may impose upon Respondent's New York Practice based on matters underlying this Consent Agreement and/or any circumstances or information known to the Director at the time of Respondent's proposed commencement of New York Practice. Respondent, by making this Application, stipulates that, in the event that Respondent seeks to return to practice in New York, the Director shall be authorized in his sole discretion to impose whatever further Conditions the Director deems appropriate, and Respondent further stipulates that Respondent's failure to comply with such Conditions shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

That Respondent shall comply with each and every penalty imposed by this Order pursuant to N.Y. Pub. Health Law § 230-a.

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall remain in continuous compliance with all requirements of N.Y. Pub. Health Law § 2995-a(4) and 10 NYCRR 1000.5, including but not limited to the requirements that a licensee shall: report to the department all information required by the Department to develop a public physician profile for the licensee; continue to notify the department of any change in profile information within 30 days of any change (or in the case of optional information, within 365 days of such change); and, in addition to such periodic reports and notification of any changes, update his or her profile information within six months prior to the expiration date of the licensee's registration period. Licensee shall submit changes to his or her physician profile information either electronically using the department's secure web site or on forms prescribed by the department, and licensee shall attest to the truthfulness, completeness and correctness of any changes licensee submits to the department. This condition shall take effect 30 days after the Order's effective date and shall continue so long as Respondent remains a licensee in New York State. Respondent's failure to comply with this condition, if proven and found at a hearing pursuant to N.Y. Pub. Health Law § 230, shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(21) and N.Y. Educ. Law § 6530(29). Potential penalties for failure to comply with this condition may include all penalties for professional misconduct set forth in N.Y. Pub. Health Law §230-a, including but not limited to: revocation or suspension of license, Censure and Reprimand,

probation, public service and/or fines of up to \$10,000 per specification of misconduct found; and

That Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Riverview Center, 150 Broadway, Suite 355, Albany, New York 12204-2719, with the following information, in writing, and ensure that this information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Respondent shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information. This condition shall take effect 30 days after the Order's effective date and shall continue at all times until Respondent receives written notification from the Office of Professional Medical Conduct, Physician Monitoring Program, that OPMC has determined that Respondent has fully complied with and satisfied the requirements of the Order, regardless of tolling; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic

verification of Respondent's compliance with this Consent Order.

Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent

Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the

proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.
