I hereby apply to the State Board for Professional Medical Conduct for an Order (henceforth "Second Modification Order"), modifying the First Modification Order, as follows:

The sanction imposed in the Original Order was:

 by the Director of OPMC in accordance with the terms contained in paragraph one
 of Exhibit "B", an attachment of the Original Order.
- Permanent monitoring of Licensee's impairment in accordance with the terms
 contained in paragraphs two through fifteen of Exhibit "B", an attachment of the
 Original Order for so long as Licensee is engaged in the practice of medicine and

The sanction imposed in the First Modification Order re-imposed all of the terms and conditions imposed in the Original Order and added the following terms and conditions:

- Licensee may only prescribe or dispense medication to patients of Cayuga
 County Mental Health Center, and Licensee is precluded from prescribing or dispensing medications to himself, his family, close associates or friends.
- The health care professionals monitoring Licensee's practice (sobriety monitor, practice supervisor, and therapist) previously approved by OPMC pursuant to the prior Consent Order may be reviewed and revised as required by the Director of OPMC.

The sanction imposed shall be modified, as follows:

Upon the effective date of this Second Modification Order, so much of the sanction shall terminate as imposed upon the Licensee the following terms and conditions:

- a permanent license limitation to practice medicine only at the
 Cayuga County Mental Health Center in Auburn, N.Y. or such other
 supervised setting approved by the Director of OPMC, in accordance
 with the terms contained in paragraph one of Exhibit "B",
- the permanent monitoring of Licensee's impairment in accordance
 with the terms contained in paragraphs two through fifteen of Exhibit
 "B", an attachment of the Original Order, for so long as Licensee is
 engaged in the practice of medicine and until such time as Licensee
 permanently retires from medical practice, and
- that Licensee may only prescribe or dispense medication to patients
 of Cayuga County Mental Health Center,

and

Exhibit B of the Original Order shall no longer be of any effect.

and

All remaining Terms and Conditions will continue as written in the First Modification Order, including, most notably, that Licensee is precluded from prescribing or dispensing medications to himself, his family, close associates or friends.

I make this Application of my own free will and accord and not under duress, compulsion or restraint, and seek the anticipated benefit of the requested Modification. In consideration of the value to me of the acceptance by the Board of this Application, I knowingly waive my right to contest the Original Order or the Modification Order for which I apply, whether administratively or judicially, and ask that the Board grant this Application.
