**IN THE MATTER
OF
IRENA SHPERLING, M.D.**

**CONSENT
AGREEMENT
AND
ORDER**

IRENA SHPERLING, M.D., representing that all of the following statements are true, deposes and says:

That on or about February 29, 1980, I was licensed to practice as a physician in the State of New York, and issued License No. 141337 by the New York State Education Department.

My current address is REDACTED and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with two (2) specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I assert that I cannot successfully defend against at least one of the alleged acts of misconduct, in full satisfaction of the charges against me, and agree to the following penalty:

- (1) Pursuant to N.Y. Pub. Health Law §230-a(9), I shall be placed on probation for a period of five (5) years subject to the terms set forth in the attached "Exhibit B;"
- (2) Pursuant to N.Y. Pub. Health Law § 230-a(3), my license to practice medicine in New York State shall be limited to preclude me from the

private practice of medicine and to permit me to practice medicine only in a facility which is licensed pursuant to Art. 28 of the Public Health Law. Further, I shall be precluded, in the practice of medicine, from any and all private billing for services rendered and from submitting claims for payment on any and all services I rendered to any third party payor, other than claims submitted for my services by and for an Art. 28 facility, except that:

- (2a) With the approval, by this consent agreement, of the Director, I shall continue the practice of medicine in my current position as an employee of WINTHROP UNIVERSITY HOSPITAL (WINTHROP), performing medical services on behalf of ISLAND WIDE MEDICAL ASSOCIATES, P.C. (ISLAND WIDE), a professional entity, in which the equity interests are held entirely by physicians employed by, WINTHROP, and where the billing and collection for all services is directly performed and supervised by personnel employed by WINTHROP. I am not a member of, nor hold any equity interest in ISLAND WIDE. As an employee of WINTHROP, I receive a set salary, paid by WINTHROP, and my compensation is completely unrelated to any and all billings attributed to the medical services rendered by me. I shall be required to immediately report any change in the facts delineated in this subparagraph to the Director who may, at his discretion, withdraw his consent to this employment and terminate this exception.
- (3) Pursuant to §230-a(7) and (9), I shall be subject to a fine in the amount of \$50,000. \$25,000. to be paid within 12 months of the effective date of this order, and the full amount to be paid in full

within 24 months of the effective date of this order to:

Bureau of Accounts Management
New York State Department of Health
Empire State Plaza
Corning Tower, Room 1717
Albany, New York 12237

- (4) Pursuant to N.Y. Pub. Health Law §230-a(9), I shall be required to perform 100 hours of community/public service, in a non-medical setting, to be performed within 18 months of the effective date of this order. The service must be to a needy or under-served population. A written proposal for community/public service must be submitted to, and is subject to the written approval of the Director of OPMC. Community/public service performed prior to written approval shall not be credited toward compliance with this Order.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 30 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of

this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order. Respondent shall meet with a person designated by the Director of OPMC, as directed.

Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order **shall** be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the

Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.
