**IN THE MATTER
OF
DILIP SEN, M.D.**

**CONSENT
AGREEMENT
AND
ORDER**

DILIP SEN, M.D., represents that all of the following statements are true:

That on or about December 26, 1980, I was licensed to practice as a physician in the State of New York, and issued License No. 144837 by the New York State Education Department.

My current address is Redacted Address ,
and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct has charged me with two specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I cannot successfully defend against at least one of the acts of misconduct alleged and in full satisfaction of the charges against me, and agree to the following penalty:

Immediately upon issuance of the Consent Order for which I apply, my license to practice medicine shall become inactive and shall be limited, pursuant to N.Y. Pub. Health Law § 230-a, to preclude patient contact and any practice of medicine, clinical or otherwise. I shall be precluded from diagnosing, treating, operating, or prescribing for any human disease, pain, injury, deformity, or physical condition. I shall be precluded from further reliance upon my license to practice medicine to exempt me from the licensure, certification or

other requirements set forth in statute or regulation for the practice of any other profession licensed, regulated or certified by the Board of Regents, Department of Education, Department of Health or the Department of State.

I further agree that the Consent Order for which I apply shall impose the following conditions:

- That Respondent shall, within 30 days of the issuance of the Consent Order, notify the New York State Education Department, Division of Professional Licensing Services, that Respondent's license status is "inactive," and shall provide proof of such notification to the Director of OPMC immediately upon having done so; and
- That Respondent shall return any and all official New York State prescriptions to the Bureau of Narcotic Enforcement, and shall surrender Respondent's Controlled Substance Registration Certificate to the United States Department of Justice, Drug Enforcement Administration, within 15 days of the Order's effective date. Further, within 30 days of returning these prescriptions and surrendering the registration, Respondent shall provide documentary proof of these transaction(s) to the Director of OPMC; and
- That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State; and
- That Respondent shall comply with all conditions set forth in attached Exhibit "B" ("Requirements for Closing a Medical Practice").

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined in N.Y. Educ. Law § 6530(29).

I agree that if I am charged with professional misconduct in future, this Consent Agreement and Order **shall** be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website.

I stipulate that the proposed sanction and Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board for Professional Medical Conduct and the Office of Professional Medical Conduct have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.

I am aware and agree that, regardless of prior communication, the attorney for the Department, the Director of the Office of Professional Medical Conduct, and the Chairperson of the State Board for Professional Medical Conduct each reserve full discretion to enter into the Consent Agreement that I propose in this application, or to decline to do so.
