IN THE MATTER

CONSENT

OF

AGREEMENT

CHARLES KESSLER, M.D.  
CO-12-08-4184-A

CHARLES KESSLER, M.D., (Respondent), representing that all of the following statements are true, deposes and says:

That on or about October 30, 1981 I was licensed to practice medicine in the State of New York and issued license number 148269 by the New York State Education Department.

My current address is REDACTED  
I will advise the Director (Director) of the Office of Professional Medical Conduct (OPMC) of any change of my address within thirty (30) days, thereof.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one (1) Specification of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit A, is attached to and part of this Consent Agreement.

I do not contest the Specification, and I agree:

to never activate my registration to practice medicine as a physician in New York state.  
[Limitation on registration or issuance of any further license pursuant to Public Health Law Section 230-a(6)].

I stipulate that my failure to comply with any conditions of the Consent Order shall constitute misconduct as defined by New York Education Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and the Consent Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to New York Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that the Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, or upon facsimile or email transmission to me or my attorney, whichever is first. The Consent Order, this Consent Agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department of Health website.

I stipulate that the proposed sanction and Consent Order are authorized by New York Public Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, administratively and/or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director, OPMC, and the Chair of the Board each retain complete discretion either to enter into the proposed Consent Agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

IN THE MATTER  
OF

STATEMENT  
OF  
CHARGES

CHARLES KESSLER, M.D., Respondent, was authorized to practice medicine in New York state on October 30, 1981, by the issuance of license number 148269 by the New York State Education Department.

**FACTUAL ALLEGATIONS**

A. On or about August 16, 2012, the State of Florida, Board of Medicine (hereinafter "Florida Board"), in a FINAL ORDER, (hereinafter "Florida Order") ACCEPTED Respondent's Voluntary Relinquishment of Respondent's license to practice medicine. The Administrative Complaint that was the basis of Respondent's Voluntary Relinquishment and the Florida Order alleged, *inter alia*, that Respondent prescribed controlled substances to multiple patients without justification, Respondent prescribed potentially lethal doses of controlled substances to multiple patients and Respondent failed to keep legible medical records that justified the course of treatment for multiple patients.

B. The conduct resulting in the Florida Board disciplinary action against Respondent would constitute misconduct under the laws of New York State, pursuant to the following sections of New York State law:

1. New York Education Law Sec. 6530(3) (negligence on more than one occasion) and/or;
2. New York Education Law Sec. 6530(32) (failure to maintain a record).

**SPECIFICATION**

Respondent violated New York Education Law Sec. 6530(9)(d) by having disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state, in that Petitioner charges:

1. The facts in Paragraphs A and B.
