My current address is REDACTED and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I am currently subject to BPMC Order # BPMC 12-65 (Attachment I) (henceforth "Original Order"), which was issued upon an Application For Consent Order signed by me on , (henceforth "Original Application"), adopted by the Original Order. I shall be precluded from diagnosing, treating, operating, or prescribing for any human disease, pain, injury, deformity, or physical condition. I shall be precluded from further reliance upon my license to practice medicine to exempt me from the licensure, certification or other requirements set forth in statute or regulation for the practice of any other profession licensed, regulated or certified by the Board of Regents, Department of Education, Department of Health or the Department of State.

The following additional condition shall apply:

- That Respondent shall return any and all official New York State prescriptions to the Bureau of Narcotic Enforcement, and, in the event that Respondent holds a Drug Enforcement Administration (DEA) Certificate for New York State, Respondent shall surrender Respondent's Certificate to DEA within 15 days of the Order's effective date. Further, within 30 days of returning these prescriptions and surrendering the Certificate, Respondent shall provide documentary proof of these transaction(s) to the Director of OPMC.

and

Attached Exhibit "B" shall substitute completely for the Exhibit "B" attached to the Original Order. Respondent shall comply with all conditions set forth in attached Exhibit "B" ("Requirements for Closing a Medical Practice").

All remaining Terms and Conditions will continue as written in the Original Order.

I make this Application of my own free will and accord and not under duress, compulsion or restraint, and seek the anticipated benefit of the requested Modification. In consideration of the value to me of the acceptance by the Board of this Application, I knowingly waive my right to contest the Original Order or the Modification Order for which I apply, whether administratively or judicially, and ask that the Board grant this Application.

I understand and agree that the attorney for the Department, the Director of the Office of Professional Medical Conduct and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed agreement and Order, based upon my application, or to decline to do so. OF
PETER MOLINARO, M.D.

CONSENT
AGREEMENT
AND
ORDER

PETER MOLINARO, M.D., represents that all of the following statements are true:

That on or about July 1, 1988, I was licensed to practice as a physician in the State of New York, and issued License No. 174833 by the New York State Education Department.

My current address is REDACTED ADDRESS and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one or more specifications of professional misconduct, as set forth in a Statement of Charges, marked as Exhibit "A", attached to and part of this Consent Agreement.

I assert that I cannot successfully defend against at least one of the acts of misconduct alleged, in full satisfaction of the charges against me, and agree to the following penalty:

Pursuant to New York Pub. Health Law § 230-a(2), my license to practice medicine in New York State shall be suspended for 36 months, with that suspension to be entirely stayed.

Pursuant to New York Pub. Health Law § 230-a(9), I shall be placed on probation for 60 months, subject to the terms set forth in attached Exhibit "B."

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order.

Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 8530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first.

The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

Terms of Probation

- 1) Respondent's conduct shall conform to moral and professional standards of conduct and governing law. Any act of professional misconduct by Respondent as defined by N.Y. Educ. Law §§ 8530 or 6531 shall constitute a violation of probation and may subject Respondent to an action pursuant to N.Y. Pub. Health Law § 230(19).
- 2) Respondent shall maintain active registration of Respondent's license (except during periods of actual suspension) with the New York State Education Department Division of Professional Licensing Services, and shall pay all registration fees.
- 3) Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Hedley Park Place, 433 River Street Suite 1000, Troy, New York 12180-2299 with the following information, in writing, and ensure that this information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Respondent shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information.
- 4) Respondent shall cooperate fully with, and respond in a timely manner to, OPMC requests to provide written periodic verification of Respondent's compliance with the terms of this Consent Order. Upon the Director of OPMC's request, Respondent shall meet in person with the Director's designee.
- 5) Respondent's failure to pay any monetary penalty by the prescribed date shall subject Respondent to all provisions of law relating to debt collection by New York State, including but not limited to: the imposition of interest, late payment charges and collection fees; referral to the New York State Department of Taxation and Finance for collection; and non-renewal of permits or licenses [Tax Law § 171(27); State Finance Law § 18; CPLR § 5001; Executive Law § 32].
- 6) The probation period shall toll whenever Respondent is not engaged in active medical practice (as defined in §6521 of the N.Y. Education Law) in New York State for a period of 30 consecutive days or more. Respondent's current employment, at the time of this application, is limited to the performance of utilization reviews. Said employment shall not prevent the period of probation from tolling immediately, pursuant to this paragraph. Respondent shall notify the Director at least 60 days before returning to clinical practice. Respondent shall notify the Director of OPMC, in writing, if Respondent subsequently ceases practice, or intends to leave, active

medical practice in New York State for a consecutive 30 day period. Respondent shall then notify the Director again at least 14 days before returning to active practice. Upon Respondent's return to active practice, as defined above, in New York State, the probation period shall resume and Respondent shall fulfill any unfulfilled probation terms and such additional requirements as the Director may impose as reasonably relate to the matters set forth in Exhibit "A" or as are necessary to protect the public health.

- 7) The Director of OPMC may review Respondent's professional performance. This review may include but shall not be limited to: a review of office records, patient records, hospital charts, and/or electronic records; and interviews with or periodic visits with Respondent and staff at practice locations or OPMC offices.
- 8) Respondent shall adhere to federal and state guidelines and professional standards of care with respect to infection control practices. Respondent shall ensure education, training and oversight of all office personnel involved in medical care, with respect to these practices.
- 9) Respondent shall maintain complete and legible medical records that accurately reflect the evaluation and treatment of patients and contain all information required by State rules and regulations concerning controlled substances.
- 10) Respondent shall remain free from alcohol and all other mood altering substances other than those prescribed for Respondent's treatment by a licensed health care professional aware of Respondent's history of chemical dependency and mental illness. Respondent shall not self-prescribe any medications.
- 11) Respondent shall remain active in self-help groups such as, but not limited to, Narcotics Anonymous, Alcoholics Anonymous and Caduceus.
- 12) Respondent shall notify all treating physicians of Respondent's history of substance abuse. Respondent shall advise OPMC of any controlled or mood-altering substance given or prescribed by treating physicians.
- 13) Respondent shall practice only when monitored by qualified health care professional monitors: a Sobriety Monitor, a Practice Supervisor and a Therapist. Any medical practice in violation of this term shall constitute the unauthorized practice of medicine. Respondent's current employment, at the time of this application, is limited to the performance of utilization reviews, and shall not require monitoring. Respondent shall not return to clinical medical practice until and unless he provides the Director with written notice of such intent, 60 days in advance. The Director may, upon such notice, issue a direction to Respondent, with the full force

and effect set forth in Paragraph 14, below. Respondent shall comply with that direction prior to the resumption of clinical medical practice.

All monitors shall be proposed by Respondent and approved, in writing, by the Director of OPMC before Respondent may practice after the effective date of this Order. Within 7 days of learning the approved monitor is no longer willing or able to serve, Respondent shall submit the name of a proposed successor to the Director of OPMC. Monitors shall not be family members or personal friends or be in professional relationships that would pose a conflict with monitoring responsibilities. All monitors shall execute acknowledgment forms provided by OPMC certifying familiarity with Respondent's history of substance abuse, with this Order and its terms, and acknowledging a willingness to comply with the monitor's reporting responsibilities regarding Respondent's compliance with the terms of this Order.

- a) Respondent shall ensure that the monitors are familiar with Respondent's history of substance abuse and with the terms of this Order. Respondent shall cause the monitors to report any deviation from compliance with the terms of this Order to OPMC. Respondent shall cause the monitors to submit required reports on a timely basis.
- b) Respondent shall submit to random, unannounced observed blood, breath and/or urine screens for the presence of drugs and alcohol (hereafter "drug screen"), when requested by a monitor. The monitoring shall be on a random, unannounced, directly-observed, 7-day-a-week, 24-hour-a-day basis. Respondent shall report for a drug screen within 4 hours of being contacted by a monitor. Monitors shall report to OPMC immediately if Respondent refuses or delays a test or if a test is positive for alcohol, or any other unauthorized drug or substance. Respondent shall avoid all substances that may cause positive urine drug screens, such as poppy seeds, mouthwash or cough medicine. Any positive test result shall constitute a violation of the terms of this Order.
- c) Respondent shall meet regularly with a Sobriety Monitor. During the first 12 months of monitoring, the Sobriety Monitor shall obtain drug screens at a frequency of no less than 6 times per month. If Respondent is compliant throughout the first 12-month period, subsequent drug screens shall be obtained at a frequency to be proposed by the Sobriety Monitor and approved by OPMC. The Sobriety Monitor shall submit quarterly reports to OPMC certifying Respondent's sobriety or lack of sobriety. These reports are to include forensically valid results of all drug screens performed and an assessment of self-help group (e.g., AA/NA/Caduceus) attendance and 12-step progress.

d) Respondent shall practice only when supervised in medical practice by a licensed physician (hereafter "Practice Supervisor"). The Practice Supervisor shall be on-site at all locations, unless determined otherwise by the Director of OPMC, and shall be in a position to regularly observe and assess Respondent's medical practice. The Practice Supervisor shall oversee Respondent's compliance with the terms of practice imposed by the Order and Respondent's prescribing, administering, dispensing, inventorying, wasting and disposal of controlled substances. The Practice Supervisor shall report to OPMC immediately any suspected impairment, inappropriate behavior, questionable medical practice, possible misconduct, or violation by Respondent of any of the terms of this Order. The Practice Supervisor shall submit quarterly reports to OPMC regarding the quality of Respondent's medical practice and prescribing practices, any unexplained absences from work, and certifying Respondent's compliance or detailing Respondent's failure to comply with each term imposed.

e) Respondent shall engage and continue in therapy with a treating health care professional (hereafter "Therapist"). Respondent shall cause the Therapist to submit a proposed treatment plan and quarterly reports to OPMC certifying whether Respondent is in compliance with the treatment plan. OPMC, at its discretion, may provide information or documentation from its investigative files concerning Respondent to Respondent's Therapist. The Therapist shall report to OPMC immediately if Respondent leaves treatment against medical advice or displays any symptoms of a suspected or actual relapse.

14) At the direction of the Director of OPMC, Respondent shall submit to evaluations by a board-certified psychiatrist, licensed mental health practitioner or other health care professional or program designated by the Director (hereafter "Evaluator.") Respondent shall provide the Evaluator with a copy of this Order and copies of all previous treatment records. OPMC, at its discretion, may provide information or documentation from its investigative files concerning Respondent to Respondent's Evaluator. The Evaluator shall report to the Director regarding Respondent's condition and fitness or incapacity to practice medicine. Respondent shall comply with all treatment recommendations based upon the evaluation; failure to comply with such treatment recommendations shall constitute professional misconduct.

15) Respondent shall enroll, or continue enrollment, in the Committee for Physician Health (CPH) and shall engage in a contract with CPH that defines the terms, conditions and duration of Respondent's recovery program. Respondent shall comply with the contract. Respondent shall give written authorization for CPH to

provide the Director of OPMC with all information or documentation requested by OPMC to determine whether Respondent is in compliance with the contract and with this Order, including full access to all records maintained by CPH will respect to Respondent.

- a) Respondent shall cause CPH to report to OPMC promptly if Respondent refuses to comply with the contract, refuses to submit to treatment or if Respondent's impairment is not substantially alleviated by treatment.
 - b) Respondent shall cause CPH to report immediately to OPMC if Respondent is regarded at any time to be an imminent danger to the public.
- 16) Respondent shall enroll in and successfully complete a continuing education program in the area of medical ethics. This continuing education program is subject to the Director of OPMC's prior written approval and shall be successfully completed within the first 90 days of the probation period.
- 17) Respondent shall comply with this Consent Order and all its terms, and shall bear all associated compliance costs. Upon receiving evidence of noncompliance with, or a violation of, these terms, the Director of OPMC and/or the Board may initiate a violation of probation proceeding, and/or any other such proceeding authorized by law, against Respondent.
