NEW YORK STATE DEPARTMENT OF HEALTH  
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER  
  
OF  
  
ARTHUR WOLDEMAR RODERICH LOESEVITZ, M.D.

CONSENT  
AGREEMENT

Arthur Woldemar Roderich Loesevitz, M.D. represents that all of the following statements are true:

That on or about June 28, 1990, I was licensed to practice medicine in the State of New York, and issued License No. 182467 by the New York State Education Department.

My current address is [REDACTED], and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one or more specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I do not contest the Statement of Charges, in full satisfaction of the charges against me, and agree to the following penalty:

Pursuant to N.Y. Pub. Health Law § 230-a(6), Respondent shall be subject to a limitation precluding registration or issuance of any further license.

I further agree that the Consent Order for which I apply shall impose the following conditions:

That Respondent shall comply with each and every penalty imposed by this Order pursuant to N.Y. Pub. Health Law § 230-a; and

That Respondent shall be precluded from practicing medicine in New York State, from practicing in any setting where his practice is based solely on his New York license, and from further reliance upon Respondent's New York license to practice medicine to exempt Respondent from the licensure, certification or other requirements set forth in statute or regulation for the practice of any other profession licensed, regulated or certified by the Board of Regents, Department of Education, Department of Health or the Department of State; and

That if Respondent is currently registered to practice medicine in New York State, Respondent shall, within 30 days of the issuance of the Consent Order, notify the New York State Education Department, Division of Professional Licensing Services, that Respondent's license status is "inactive," shall provide proof of such notification to the Director of OPMC immediately upon having done so, and shall not reactivate or reregister the license at any time; and

That Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Riverview Center, 150 Broadway, Suite 355, Albany, New York 12204-2719, with the following information, in writing, and ensure that this information is kept current: a full

description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Respondent shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information. This condition shall take effect 30 days after the Order's effective date and shall continue at all times until Respondent receives written notification from the Office of Professional Medical Conduct, Physician Monitoring Program, that OPMC has determined that Respondent has fully complied with and satisfied the requirements of the Order, regardless of tolling; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State; and

That Respondent shall comply with all conditions set forth in attached Exhibit "B" ("Requirements for Closing a Medical Practice").

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined in N.Y. Educ. Law § 6530(29).

I agree that if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board for Professional Medical Conduct and the Office of Professional Medical Conduct have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.

I am aware and agree that, regardless of prior communication, the attorney for the Department, the Director of the Office of Professional Medical Conduct, and the Chairperson of the State Board for Professional Medical Conduct each reserve full discretion to enter into the Consent Agreement that I propose in this application, or to decline to do so.

NEW YORK STATE DEPARTMENT OF HEALTH  
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER  
OF  
ARTHUR WOLDEMAR RODERICH LOESEVITZ, M.D.

STATEMENT  
OF  
CHARGES

Arthur Woldemar Roderich Loesevitz, M.D., the Respondent, was authorized to practice medicine in New York State on or about June 28, 1990, by the issuance of license number 182467 by the New York State Education Department.

**FACTUAL ALLEGATIONS**

A. On or about September 9, 2022, in the United States District Court for the Western District of Kentucky (hereinafter "the Court"), Respondent pled guilty to Count I in the Information: "knowingly and intentionally dispensing and distributing a mixture and substance containing a detectable amount of Hydrocodone outside of the scope of medical practice and not for a legitimate medical purpose to [one patient]." On or about January 26, 2023, the Court entered Judgment convicting Respondent of violating 21 U.S.C. § 841(a)(1) and 841 (b) (1)(C), and sentencing Respondent to two years' probation with location monitoring for eight months; an assessment fee of \$100; and a fine of \$4,000, among other terms and conditions.

- B. On or about May 24, 2023, the Commonwealth of Kentucky Board of Medical Licensure (hereinafter "the Kentucky Board") issued an Order of Revocation, revoking Respondent's medical license. The Order of Revocation also provided that Respondent could not apply for reinstatement of his license until: at least two years have passed from the date of filing of this Order; Respondent has satisfied the terms and conditions of the federal criminal judgment; Respondent has completed a Board-approved clinical skills assessment and/or evaluation at Respondent's expense; Respondent has paid a \$5000 fine; and Respondent has fully reimbursed the Board for the cost of the proceedings in the amount of \$1500. In addition, if Respondent's license were ever reinstated, Respondent would need to agree to be indefinitely and permanently banned from prescribing or dispensing controlled substances.
- C. The Order of Revocation adopted and incorporated by reference the Hearing Officer's Findings of Facts and Conclusions of Law, which included Respondent's plea agreement to knowingly and intentionally distributing and dispensing and causing to be distributed and dispensed Hydrocodone, a Schedule II controlled substance, outside the scope of medical practice and not for a legitimate medical purpose to one patient and the January 26, 2023 Judgment entered against Respondent, sentencing Respondent to two years' probation, eight months' home incarceration and a fine. Respondent admitted that the nature and extent of his prescribing practices was "awful" and that his misconduct occurred over an extended period in which he acted outside the scope of his medical practice.
1. The conduct resulting in the Judgment and the Kentucky Order of Revocation would constitute misconduct under the laws of New York State, pursuant to the following sections of New York State Law:
    - a. N.Y. Education Law §6530 (9)(a)(ii), as alleged in the facts of:
      - i. Paragraph A.

b. N.Y. Education Law §6530 (3) (Practicing the profession with negligence on more than one occasion), as alleged in the facts of:

i. Paragraphs B-C.

**SPECIFICATION OF CHARGES**

**FIRST SPECIFICATION**

**BEING CONVICTED OF AN ACT CONSTITUTING A CRIME**

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9) (a) (ii) by being convicted of an act constituting a crime under federal law, specifically 21 U.S.C. § 841(a)(1) and 841 (b) (1)(C), a felony, as alleged in the facts of the following:

1. The facts in Paragraphs A.

**SECOND SPECIFICATION**

**HAVING A DISCIPLINARY ACTION TAKEN**

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having his or her license to practice medicine revoked, suspended or having other disciplinary action taken, or having his or her application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his or her license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the

laws of New York state, namely N.Y. Educ. Law §6530 (3) as alleged in the facts of the following:

1. The facts in Paragraphs B and C.
