IN THE MATTER
OF
DAVID ROEMER, M.D.

SURRENDER
of
LICENSE

DAVID ROEMER, M.D., representing that all of the following statements are true, deposes and says:

That on or about August 1, 1996, I was licensed to practice as a physician in the State of New York, and issued License No. 203954 by the New York State Education Department.

My current address is REDACTED, and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct has charged me with three specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Surrender of License.

I am applying to the State Board for Professional Medical Conduct for permission to surrender my license as a physician in the State of New York on the grounds that I cannot successfully defend against at least one of the acts of misconduct alleged, in full satisfaction of the charges against me.

I ask the Board to accept the Surrender of my License.

I understand that if the Board does not accept this Surrender, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this application shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public

Health Law.

I agree that, if the Board accepts the Surrender of my License, the Chair of the Board shall issue a Surrender Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Surrender Order by first class mail to me at the address in this Surrender of License, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first.

I ask the Board to accept this Surrender of License of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's acceptance of this Surrender of License, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Surrender Order for which I apply, whether administratively or judicially, and I agree to be bound by the Surrender Order.

1. Respondent shall immediately cease and desist the practice of medicine in compliance with the terms of the Surrender Order. Respondent shall not represent himself or herself as eligible to practice medicine and shall refrain from providing an opinion as to professional practice or its application.
2. Within fifteen (15) days of the Surrender Order's effective date, Respondent shall notify all patients that he or she has ceased the practice of medicine, and shall refer all patients to another licensed practicing physician for their continued care, as appropriate.
3. Within thirty (30) days of the Surrender Order's effective date, Respondent shall have his or her original license to practice medicine in New York State and current biennial registration delivered to the Office of Professional Medical Conduct (OPMC) at 433 River Street Suite 303, Troy, NY 12180-2299.
4. Respondent shall arrange for the transfer and maintenance of all patient medical records. Within thirty (30) days of the Surrender Order's effective date, Respondent shall notify OPMC of these arrangements, including the name, address, and telephone number of an appropriate contact person, acceptable to the Director of OPMC, who shall have access to these records. Original records shall be retained for patients for at least six (6) years after the last date of service, and, for minors, at least six (6) years after the last date of service or three (3) years after the patient reaches the age of majority, whichever time period is longer. Records shall be maintained in a safe and secure place that is reasonably accessible to former patients. The arrangements shall ensure that all patient information is kept confidential and is available only to authorized persons. When a patient or authorized representative requests a copy of the patient's medical record, or requests that the original medical record be sent to another health care provider, a copy of the record shall be promptly provided or sent at reasonable cost to the patient (not to exceed seventy-five cents per page.) Radiographic, sonographic and like materials shall be provided at cost. A qualified person shall not be denied access to patient information solely because of inability to pay.

Within fifteen (15) days of the Order's effective date, if Respondent holds a Drug Enforcement Agency (DEA) certificate, Respondent shall advise the DEA in writing of the licensure action and shall surrender his or her DEA controlled substance certificate, privileges, and any used DEA #222 U.S. Official Order Forms Schedules 1 and 2, to the DEA.
6. Within fifteen (15) days of the Order's effective date, Respondent shall return any unused New York State official prescription forms to the Bureau of Controlled Substances of the New York State Department of Health. Respondent shall have all prescription pads bearing Respondent's name destroyed. If no other licensee is providing services at his practice location, Respondent shall dispose of all medications.

7. Within fifteen (15) days of the Order's effective date, Respondent shall remove from the public domain any representation that Respondent is eligible to practice medicine, including all related signs, advertisements, professional listings whether in telephone directories or otherwise, professional stationery or billings. Respondent shall not share, occupy or use office space in which another licensee provides health care services.

8. Respondent shall not charge, receive or share any fee or distribution of dividends for professional services rendered (by himself or others) while barred from practicing medicine. Respondent may receive compensation for the reasonable value of services lawfully rendered, and disbursements incurred on a patient's behalf, prior to the Order's effective date.

9. If Respondent is a shareholder in any professional service corporation organized to engage in the practice of medicine and Respondent's license is revoked, surrendered or suspended for six (6) months or more pursuant to this Order, Respondent shall, within ninety (90) days of the Order's effective date, divest himself/herself of all financial interest in such professional services corporation in accordance with New York Business Corporation Law. If Respondent is the sole shareholder in a professional services corporation, the corporation must be dissolved or sold within ninety (90) days of the Order's effective date.

10. Failure to comply with the above directives may result in civil or criminal penalties.
