NEW YORK STATE DEPARTMENT OF HEALTH  
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER  
OF  
ORNA GIL, M.D.

CONSENT  
AGREEMENT

ORNA GIL, M.D., represents that all of the following statements are true:

That on or about January 30, 2003, I was licensed to practice as a physician in the State of New York, and issued License No. 227467 by the New York State Education Department.

My current address is [REDACTED] and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct has charged me with one or more specifications of professional misconduct, as set forth in a Statement of Charges, marked as Exhibit "A", attached to and part of this Consent Agreement.

I do not contest the charges against me, and agree to the following penalty:

Pursuant to N.Y. Pub. Health Law § 230-a(1), I shall be subject to a Censure and Reprimand.

Pursuant to N.Y. Pub. Health Law §§ 230-a(7) and (9), I shall be subject to a fine in the amount of two thousand dollars (\$2,000.00), to be paid in full

within 30 days of the effective date of this Order. Payments must be submitted to:

Bureau of Accounts Management  
New York State Department of Health  
Corning Tower, Room 2784  
Empire State Plaza  
Albany, New York 12237

In making such payment, Respondent shall indicate the order number of this Order both on the payment check submitted and on the cover letter accompanying payment. Additionally, Respondent shall simultaneously mail a photocopy of the check and cover letter to:

Physician Monitoring Program  
Office of Professional Medical Conduct

150 Broadway, Suite 355  
Albany, New York 12204-2719.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall comply with each and every penalty imposed by this Order pursuant to N.Y. Pub. Health Law § 230-a.

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual

suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall remain in continuous compliance with all requirements of N.Y. Pub. Health Law § 2995-a(4) and 10 NYCRR 1000.5, including but not limited to the requirements that a licensee shall: report to the department all information required by the Department to develop a public physician profile for the licensee; continue to notify the department of any change in profile information within 30 days of any change (or in the case of optional information, within 365 days of such change); and, in addition to such periodic reports and notification of any changes, update his or her profile information within six months prior to the expiration date of the licensee's registration period. Licensee shall submit changes to his or her physician profile information either electronically using the department's secure web site or on forms prescribed by the department, and licensee shall attest to the truthfulness, completeness and correctness of any changes licensee submits to the department. This condition shall take effect 30 days after the Order's effective date and shall continue so long as Respondent remains a licensee in New York State. Respondent's failure to comply with

this condition, if proven and found at a hearing pursuant to N.Y. Pub. Health Law § 230, shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(21) and N.Y. Educ. Law § 6530(29). Potential penalties for failure to comply with this condition may include all penalties for professional misconduct set forth in N.Y. Pub. Health Law §230-a, including but not limited to: revocation or suspension of license, Censure and Reprimand, probation, public service and/or fines of up to \$10,000 per specification of misconduct found; and

That Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Riverview Center, 150 Broadway, Suite 355, Albany, New York 12204-2719, with the following information, in writing, and ensure that this information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Respondent shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information. This condition shall take effect 30 days after the Order's effective date and shall continue at all times until Respondent receives written notification from the Office of Professional Medical Conduct, Physician Monitoring Program, that OPMC has determined that Respondent has fully

complied with and satisfied the requirements of the Order, regardless of tolling; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order.

Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

STATE OF NEW YORK : DEPARTMENT OF HEALTH  
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER  
OF  
ORNA GIL, M.D.  
CO-13-10-5582-A

---

STATEMENT  
OF  
CHARGES

Orna Gil, M.D., Respondent, was authorized to practice medicine in New York State on January 30, 2003, by the issuance of license number 227467 by the New York State Education Department.

**FACTUAL ALLEGATIONS**

A. On or about April 5, 2011, in the Superior Court of California, San Diego County, State of California, Respondent was found guilty, based on a plea of guilty, of Reckless Driving, a misdemeanor, in violation of California Vehicle Code §§23103 and 23103.5, and was sentenced to three years of probation, a \$1,046.00 fine and five days of community service.

B. On or about July 25, 2012, Respondent prepared and/or submitted to the New York State Education Department, a Registration Renewal Document, wherein she falsely answered "No" to the question, "Since your last registration, have you been found guilty after trial, or pleaded guilty, no contest or nolo contendere to a crime (felony or misdemeanor) in any court?" Respondent made the false representation concealing information that should have been disclosed, knowing the representation was false, and intending to mislead through the false representation.

C. On or about September 17, 2013, the Medical Board of California (hereinafter "California Board"), issued Respondent a Public Letter of Reprimand for prescribing a Schedule II controlled substance to an individual, on two separate occasions, and failing to maintain a documented record of the encounter with the individual. The California Board found that the actions constituted Repeated Negligent Acts under California Business and Professions Code §2234(c).

D. On or about July 24, 2015, Respondent's Petition for Dismissal pursuant to California Penal Code §1203.4, was granted by a judge of the Superior Court of California, County of San Diego, North County Division dismissing the conviction for Reckless Driving. California Penal Code §1203.4 does not relieve Respondent of the obligation to disclose the conviction in response to any direct question contained in any questionnaire or application for licensure by any state or local agency. Respondent must still report the conviction on such questionnaire or application.

E. The conduct resulting in the California Board disciplinary action against Respondent would constitute misconduct under the laws of New York State, pursuant to the following sections of New York state law:

1. New York Education Law §6530(3) (Practicing the profession with negligence on more than one occasion); and/or
2. New York Education Law §6530(32) (Failing to maintain a record for each patient that accurately reflects the evaluation and treatment of the patient).

**SPECIFICATIONS**

**FIRST SPECIFICATION**

Respondent violated New York Education Law §6530(21) (Willfully making or filing a false report, or failing to file a report required by law or by the department of health or the education department), in that Petitioner charges:

1. The facts in Paragraph A, B and D.

**SECOND SPECIFICATION**

Respondent violated New York Education Law §6530(9)(b) (Having been found guilty of improper professional practice or professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state), in that Petitioner charges:

2. The facts in Paragraphs C and E and E1, and/or E and E2.

**THIRD SPECIFICATION**

Respondent violated New York Education Law §6530(9)(d) (Having disciplinary action taken against her license to practice medicine by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action involving the license would, if committed in New York state, constitute professional misconduct under the laws of New York state), in that Petitioner charges:

3. The facts in Paragraphs C and E and E1, and/or E and E2.
