DAVID SEGAL, M.D., the Respondent, was authorized to practice medicine in New York State on or about July 1, 1993, by the issuance of license number 192849 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about December 16, 2016, the Iowa Board of Medicine ("IBM") issued a Settlement Agreement ("Settlement") to the Respondent. The Settlement was based on allegations that the Respondent demonstrated professional incompetency when he failed to provide appropriate neurosurgical care to numerous patients which included inappropriately utilizing epidural blood patches to manage postoperative spinal fluid leaks discovered following spinal surgery, when patients experienced excessive infections following neurostimulator placement. The allegations also stated that the Respondent failed to appropriately manage the infections, and failed to establish appropriate coverage arrangements for his patients in his absence, putting his patients at risk of harm. The allegations also stated that the Respondent maintained pre-signed prescriptions which were intended to be completed and issued at a later time. The IBM

issued the Respondent a Warning, a \$5,000.00 civil penalty, and ordered the Respondent to successfully complete the Professional/Problem Based Ethics (PROBE) program.

B. The conduct resulting in the Iowa Board of Medicine's disciplinary action against the Respondent would constitute misconduct under the laws of New York State pursuant to the following section of New York State Law:

1. New York Education Law § 6530(3) (Practicing the profession of medicine with negligence on more than one occasion); and/or

4. New York Education Law § 6530(32) (Failing to maintain a record for each patient which accurately reflects the evaluation and treatment of the patient).

SPECIFICATION OF CHARGES

1. The facts in Paragraphs A and B and B1, B2, B3, and/or B4.
