IN THE MATTER
OF
ANDREW P. ROBINSON, M.D.

STATEMENT
OF
CHARGES

ANDREW P. ROBINSON, M.D., the Respondent, was authorized to practice medicine in New York State on or about September 22, 1993 by the issuance of license number 193730 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about June 30, 2020, the Respondent entered into a Disposition Agreement with the Maryland State Board of Physicians (“Maryland Board”). The Disposition Agreement required the Respondent to comply with a Participant Rehabilitation Agreement with the Maryland Professional Rehabilitation Program. The Participant Rehabilitation Agreement prohibited the Respondent from engaging in certain conduct and required the Respondent to follow certain protocols and procedures. After a Show Cause Hearing was held on August 25, 2021, the Maryland Board found that the Respondent engaged in conduct that violated the Participant Rehabilitation Agreement which was a violation of the Maryland Board’s Disposition Agreement. On or about September 17, 2021, the Maryland Board issued an Order and imposed a reprimand and probation against the Respondent. The probation period was ordered to run for a minimum of two years and required the Respondent to continue enrollment with the Maryland Professional Rehabilitation Program, among other terms.

B. The conduct resulting in the Maryland disciplinary action against the Respondent would constitute misconduct under the laws of New York State pursuant to the following section of New York law:

1. New York Education Law section 6530(29) (violating any term of probation or condition or limitation imposed on the licensee).

Law § 6530(9)(d) by having the Respondent's license to practice medicine revoked, suspended or having other disciplinary action taken, or having the Respondent's application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered the Respondent's license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state (namely N.Y. Educ. Law § 6530[29]) as alleged in the facts of the following:
