**IN THE MATTER  
OF  
LEONARD HUDSON, M.D.**

**DETERMINATION  
AND  
ORDER**

**BPMC #12-237**

A hearing was held on September 12, 2012, at the offices of the New York State Department of Health, 150 Broadway, Albany, New York. The State Board of Professional Medical Conduct obtained jurisdiction over Respondent, **LEONARD HUDSON, M.D.**, and the Notice of Referral Proceeding and Statement of Charges, both dated July 11, 2012, were served at Respondent's last known address (Ex.1,2&3). Pursuant to Section 230(10)(e) of the Public Health Law, Chairperson, **PETER B. KANE, M.D.**, **STEVEN I. SHERMAN D.O.**, and **WILLIAM W. WALENCE PH. D.** duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. **KIMBERLY A. O'BRIEN ESQ.**, Administrative Law Judge, served as the Administrative Officer.

The Petitioner appeared by **JAMES E. DERING ESQ.**, General Counsel, by **JOEL ABELOVE ESQ.**, of Counsel. The Respondent did not appear at the hearing in person or by Counsel. Evidence was received and transcripts of these proceedings were made. After consideration of the entire record, the Hearing Committee issues this Determination and Order.

**STATEMENT OF CASE**

This case was brought pursuant to Public Health Law Section 230(10)(p). The statute provides for an expedited hearing when a licensee is charged solely with a violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee, and the decision must be supported by a preponderance of the evidence.

in the instant case, the Respondent is charged with professional misconduct pursuant to Education Law Section 6530(9)(d). Copies of the Notice of Referral Proceeding and the Statement of Charges are attached to this Determination and Order as Appendix 1.

**WITNESSES**

For the Petitioner:                      None

For the Respondent:                      None

**FINDINGS OF FACT**

The following Findings of Fact were made after a review of the entire record in this matter. Numbers below in parentheses refer to exhibits or transcript page numbers, denoted by the prefix "Ex." or "Tr." These citations refer to evidence found persuasive by the Hearing Committee in arriving at a particular finding. Conflicting evidence, if any, was considered and rejected in favor of the cited evidence. All Hearing Committee findings were unanimous.

1. Leonard Hudson, the Respondent, was authorized to practice medicine in New York State on November 8, 1965, by the issuance of license number 095787 by the New York State Education Department (Ex.4).

2. On or about January 20, 2011, The State of Washington Department of Health Medical Quality Assurance Commission ("Washington Board") by Stipulated Findings of Fact, Conclusions of Law, and Agreed Order ("Washington Order"), accepted Respondent's surrender of his license to practice as a physician and surgeon, based on his providing money and prescriptions to his patients in exchange for sex (Ex. 5).

3. If Respondent's conduct occurred in New York State it would constitute negligence on more than one occasion, moral unfitness, and willfully harassing, abusing or intimidating a patient either physically or verbally, pursuant to New York Education Law Sections 6530(3), 6530(20), and 6530(31) respectively (See Ex.1 &5).

#### **VOTE OF THE HEARING COMMITTEE**

Respondent violated New York Education Law Section 6530(9)(d) by having his license to practice medicine revoked, suspended or having other disciplinary action taken, after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state.

VOTE: Sustained (3-0)

### HEARING COMMITTEE DETERMINATION

The Hearing Committee was required to hear and consider only evidence and testimony relating to the nature and severity of the penalty to be imposed upon the licensee. The Department presented unrefuted documentary evidence that Respondent surrendered his license to practice medicine in Washington after the Washington Board found among other things that Respondent was guilty of providing money and prescriptions to patients in exchange for sex. The Respondent did not appear at the hearing in person or by a representative and offered nothing in mitigation of the charges. In the absence of any mitigating evidence and the serious nature of the Washington Board's findings, the Hearing Committee determined that they must revoke Respondent's license to practice medicine in order to protect the people of New York State.

### ORDER

IT IS HEREBY ORDERED THAT:

1. The factual allegations and specification contained in the Statement of Charges (Appendix 1) are SUSTAINED; and
2. The Respondent's license to practice medicine in the State of New York shall be REVOKED; and
3. This Order shall be effective upon service on the Respondent in accordance with the requirements of Public Health Law Section 230(10)(h).
