Caplan, Chairperson, Arsenio G. Agopovich, M.D., and Trevor A. Litchmore, M.D., duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. David A. Lenihan, Esq., Administrative Law Judge, served as the Administrative Officer.

The Petitioner appeared by Thomas G. Conway, Esq., General Counsel, by Michael G. Bass, Esq., of Counsel. The Respondent appeared with counsel, Nathan L. Dembin, Esq., of New York, New York.

Evidence was received and transcripts of these proceedings were made.

After consideration of the entire record, the Hearing Committee issues this Determination and Order.

**STATEMENT OF THE CASE**

This case was brought pursuant to Public Health Law Section 230(10)(p). The statute provides for an expedited hearing when a licensee is charged solely with a violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, the Respondent is charged with professional misconduct pursuant to Education Law Section 6530(9)((a)(i) by having been found guilty of committing crimes under New York State law, specifically, Falsifying business records in the first degree, in violation of New York Penal Law §175.10, a Class E felony and insurance fraud in the fifth degree, in violation of New York Penal Law §176.10, a Class A misdemeanor.

Copies of the Commissioner's Order and Notice of Referral Proceeding and Statement of Charges are attached to this Determination and Order as Appendix 1.

#### HEARING COMMITTEE DETERMINATION

The Respondent was indicted and his case was tried in Supreme Court, Kings County, and State of New York. It appears that the Respondent was found guilty, after trial, of committing crimes under New York State law, specifically, Falsifying business records in the first degree, in violation of New York Penal Law §175.10, a

<sup>1</sup> The \$50 DNA assessment is a mandatory databank fee that applies to many misdemeanors and all felonies. Penal Law § 60.35(10); Exec L § 995(7). New York State estimates that nearly half of all persons convicted of Penal Law offenses will require the DNA sample and consequent fee. Class E felony and insurance fraud in the fifth degree, in violation of New York Penal Law §176.10, a Class A misdemeanor and was sentenced to fifteen (15) days incarceration, five (5) years probation, 300 hours of community service, a \$250 surcharge and a \$50 DNA assessment and a \$20 Crime Victim assessment.

The record in this case shows that the Respondent was authorized to practice medicine in New York State on June 25, 1997, by the issuance of license number 207165 by the New York State Education Department. At the hearing, the Petitioner presented thorough documentation establishing that the Respondent was convicted of a felony after trial.

In an effort to lessen the penalty and to mitigate his client's conduct, the Respondent's attorney argued that Dr. Rozenberg was convicted of only two of the more than fifty charges in the initial indictment and that he had initially been charged with a Class B felony and the highest conviction was for a Class E felony. The attorney for the Respondent argued that his client was innocent and did not belong in any indictment and further contended that fifty counts of serious indictments were dismissed. (T. 78) Mr. Dembin contended that this case was all about a simple billing mistake that amounted to only \$25.00.

The panel did not accept this argument in mitigation and found that there was indeed a conviction for a felony and on that basis deemed revocation the appropriate penalty.

In assessing the penalty to be imposed in this case, the panel took many factors into account, not the least of which was the fact the Respondent expressed no remorse

for his crime or any acknowledgement of his guilt in this matter. The Department's attorney recommended revocation.

The Hearing Committee, pursuant to the Findings of Fact set forth above, after due deliberation, unanimously determined that the charges and specifications raised against Respondent were sustained.

The Committee has a responsibility to protect the patients of the State. The issue before this Committee is to choose a penalty that offers the best protection to the people of the State. The Committee finds that the Respondent has committed sufficiently egregious misconduct that is worthy of the revocation of his medical license. The Committee concludes that the Respondent's conduct in this matter has so violated the public trust that revocation is the only appropriate penalty under all the facts and circumstances of this case.

In reaching this conclusion, the Committee considered the full range of penalties available in a case such as this.

The Committee concluded that the only way to protect the public is to revoke Respondent's medical license. Any other penalty would risk a recurrence of this behavior. The public should not bear that risk.

ORDER

IT IS HEREBY ORDERED THAT:

1. The specification of professional misconduct, as set forth in the Statement of Charges, is SUSTAINED.
2. The license of the Respondent to practice medicine in New York State is hereby revoked.
3. This Order shall be effective upon service on the Respondent in accordance with the requirements of Public Health Law Section 230(10)(h).
