CONSENT
AGREEMENT
AND ORDER

JOHN PAUL DREW, D.O., (Respondent) representing that all of the following statements are true, deposes and says:

Respondent is not currently authorized to practice medicine in New York state. There has been no issuance of a license by the New York State Education Department. Respondent was employed as an unlicensed intern at Maimonides Memorial Center, Brooklyn, New York. On October 19, 2002, Respondent was on medical leave from Maimonides Medical Center.

I hold no license to practice medicine in New York State, and am not currently authorized to practice medicine in New York State.

My current address is 936 Glen Cove Avenue, Glen Head, NY 11545, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address.

I understand that New York State Board for Professional Medical Conduct has charged me with two (2) specifications of professional medical conduct.

A copy of the Statement of Charges is attached, made a part of this Consent Agreement and Order, and marked as Exhibit "A".

I do not contest the two (2) specifications, in full satisfaction of the charges against me. I, hereby, agree to the following penalty:

Pursuant to N.Y. Public Health Law §230-a(6), a limitation shall be placed precluding the issuance of any further license or registration to me to practice medicine in New York State.

I further agree that the Consent Order for which I apply shall impose the following conditions:

That until and unless I am granted a license to practice medicine in the State of New York, I shall not engage in any practice of medicine in the State of New York, whether as a licensee, resident, holder of a permit, or exempt person, beginning upon the effective date of the Consent Order; and

That Respondent shall fully cooperate in every respect with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigation of all matters regarding Respondent. Respondent shall respond in a timely manner to each and every request by OPMC to provide written periodic verification of Respondent's compliance with the terms of this Order. Respondent shall meet with a person designated by the Director of OPMC as directed. Respondent shall respond promptly and provide any and all documents and information within Respondent's control upon the direction of OPMC.

I, hereby, stipulate that any failure by me to comply with such conditions shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that in the event that I am charged with professional misconduct in the future, the agreement and order shall be admitted into evidence in that proceeding.

I, hereby, make this Application to the State Board for Professional Medical Conduct (the Board) and request that it be granted.

I understand that, in the event that this Application is not granted by the Board, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such Application shall not be used against me in any way and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the Board shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by the Board pursuant to the provisions of the Public Health Law.

I agree that, in the event the Board grants my Application, as set forth herein, an order of the Chairperson of the Board shall be issued in accordance with same. I agree that such order shall be effective upon issuance by the Board, which may be accomplished by mailing, by first class mail, a copy of the Consent Order to me at the address set forth in this agreement or to my attorney or upon transmission via facsimile to me or my attorney, whichever is earliest.

I am making this Application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner, in consideration of the value to me of the acceptance by the Board of this Application, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits. I knowingly waive any right I may have to contest the Consent Order for which I, hereby, apply, whether administratively or judicially, and ask that the Application be granted.
