Privileges  
  
Complete Restriction  
from Practice of  
Medicine

WILLIAM BLOOM, M.D., representing all statements herein made to be true, deposes and says:

That on or about November 29, 1949, I was licensed to practice as a physician in the State of New York, having been issued License No. 049528 by the New York State Education Department.

My current address is 380 South Broadway, Hicksville, NY, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address.

I understand that the New York State Board for Professional Medical Conduct has charged me with fifteen specifications of professional misconduct.

A copy of the Statement of Charges is annexed hereto, made a part hereof, and marked as Exhibit "A".

I agree not to contest the Statement of Charges, in full satisfaction of the charges against me. I hereby agree to the following penalty:

Effective November 9, 2001, My license to practice medicine shall be limited, pursuant to §230-a of the Public Health Law, to preclude patient contact and any practice of medicine, clinical or otherwise. I shall be precluded from diagnosing, treating,

operating, or prescribing for any human disease, pain, injury deformity, or physical condition.

I further agree that the Consent Order for which I hereby apply shall impose the following conditions:

- That Respondent shall, within 30 days of the issuance of the Order of Conditions, notify the New York State Education Department, Division of Professional Licensing Services, that Respondent's license status is "inactive," and shall provide proof of such notification to the Director of OPMC within 30 days thereafter; and
- That Respondent shall return any and all official New York State prescriptions to the Bureau of Controlled Substances, and shall surrender Respondent's Controlled Substance Registration Certificate to the United States Department of Justice, Drug Enforcement Administration, within 15 days of the effective date of this Order. Further, within 30 days of returning said prescriptions and surrendering said registration, Respondent shall provide documentary proof of such transaction(s) to the Director of OPMC; and
- That Respondent shall fully cooperate in every respect with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigation of all matters regarding Respondent. Respondent shall respond in a timely manner to each and every request by OPMC to provide written periodic verification of Respondent's compliance with the terms of this Order. Respondent shall meet with a person designated by the Director of OPMC as directed. Respondent shall respond promptly and provide any and all documents and information within Respondent's control upon the direction of OPMC, and shall, during January of every year, submit to the Director of OPMC signed, notarized written statements setting forth

whether or not Respondent has complied during the prior year with all conditions imposed by the Order of Conditions.

- Respondent shall comply with all conditions set forth in Exhibit "B" ("Guidelines for Closing a Medical Practice") which is attached.

These conditions shall be in effect beginning upon the effective date of the Consent Order and will continue while I possess my license. I hereby stipulate that any failure by me to comply with such conditions shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that in the event I am charged with professional misconduct in the future, this agreement and order shall be admitted into evidence in that proceeding.

I hereby make this Application to the State Board for Professional Medical Conduct (the Board) and request that it be granted.

I understand that, in the event that this Application is not granted by the Board, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such Application shall not be used against me in any way and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the Board shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by the Board pursuant to the provisions of the Public Health Law.

I agree that, in the event the Board grants my Application, as set forth herein, an order of the Chairperson of the Board shall be issued in accordance with same. I agree that such order shall be effective upon issuance by the Board, which may be accomplished by mailing, by first class mail, a copy of the Consent Order to me at

the address set forth in this agreement, or to my attorney, or upon transmission via facsimile to me or my attorney, whichever is earliest.

I am making this Application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner. In consideration of the value to me of the acceptance by the Board of this Application, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive any right I may have to contest the Consent Order for which I hereby apply, whether administratively or judicially, and ask that the Application be granted.
