IN THE MATTER : STATEMENT
OF : OF
SAMUEL EUGENE LONG, M.D. : CHARGES

-----X

SAMUEL EUGENE LONG, M.D., the Respondent, was authorized to practice medicine in New York State on September 13, 1960 by the issuance of license number 84273 by the New York State Education Department. The Respondent is not currently registered with the New York State Education Department to practice medicine. His most recent known address is 5626 Oakland Mills Road, Columbia, Maryland 21045.

FIRST SPECIFICATION

I. Respondent is charged with professional misconduct within the meaning of N.Y. Educ. Law Sec. 6530 (9) (d) (McKinney Supp.1994), in that he had his license to practice medicine, revoked, suspended or had other disciplinary action taken after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license would, if committed in New York State, constitute professional misconduct under the laws of New York State, specifically:

A. The State Board of Physician Quality Assurance of the State of Maryland ("the Board") issued a Consent Agreement, dated September 29, 1992, based on Respondent psychiatrist having had sexual intercourse with a patient under his care, in violation of Maryland Health Occ. Code Ann. sec. 14-404(a)(3) (1991 Repl. Vol.), which reads in relevant part:

1. "(a) Subject to the hearing provisions of sec. 14-405 of this subtitle, the Board, on the affirmative vote of a majority of its full authorized membership, may reprimand any licensee, place any licensee on probation, or suspend or revoke a license if the licensee:

"(3) Is Guilty of immoral . . . conduct in the practice of medicine."

B. Pursuant to the terms of the above-mentioned Consent Agreement, Respondent's license to practice medicine in the State of Maryland was suspended, the suspension was immediately stayed, and Respondent was placed on probation for a period of three years beginning September 29, 1992. Among the conditions of probation were that:

1. "Respondent shall comply with all conditions of his Physician Rehabilitation Advocacy Contract dated February 19, 1992 . . . "; and
2. "Three (3) years after the effective date of the Order that being the date on which the Board signs the Order, Respondent may petition the Board for termination of probation and reinstatement of his license without any conditions or restrictions to the Board. NOTHING IN THIS ORDER SHALL BE CONSTRUED AS A PROMISE BY THE BOARD TO REINSTATE RESPONDENT'S LICENSE WITHOUT CONDITIONS".

C. These acts, if committed in New York State, would constitute professional misconduct under the laws of New York state as follows:

1. "Conduct in the practice of medicine which evidences moral unfitness to practice medicine" (Education Law sec. 6530 (20) (McKinney Supp. 1994)); and/or
2. "In the practice of psychiatry, (a) any physical contact of a sexual nature between licensee and patient except the use of films and/or other audiovisual aids with individuals or groups in the development of appropriate responses to overcome sexual dysfunction" (Education Law sec. 6530 (44) (a) (McKinney Supp. 1994)).

SECOND SPECIFICATION

II. Respondent is charged with professional misconduct within the meaning of N.Y. Educ. Law Sec. 6530 (9) (b) (McKinney Supp. 1994), in that he has been found guilty of improper professional practice or professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state, specifically:

- A. Petitioner repeats the allegations set forth in paragraphs I.A. through I.C. above.
