On or about July 16, 1965, I was licensed to practice as a physician in the State of New York having been issued License No. 094205 by the New York State Education Department.

I am not currently registered to practice as a physician in the State of New York. My address as shown on my last registration with the New York State Education Department was 3744 Lake Otis Parkway, Anchorage, Alaska, 99504.

I understand that I have been charged with two (2) specifications of professional misconduct as set forth in the Statement of Charges, annexed hereto, made a part hereof, and marked as Exhibit "A".

I am applying to the State Board for Professional Medical Conduct for permission to surrender my license as a physician in the State of New York on the grounds that I do not contest the specifications of professional misconduct set forth in the charges.

I hereby make this application to the State Board for Professional Medical Conduct and request that it be granted.

I agree that in the event the State Board for Professional Medical Conduct grants my application, an order shall be issued

striking my name from the roster of physicians in the State of New York without further notice to me.

The Respondent is not currently registered with the New York State Education Department to practice medicine in New York State. FACTUAL ALLEGATIONS

A. On January 23, 1992, The Alaska State Medical Board (hereinafter The Alaska Board) the duly authorized professional disciplinary agency of Alaska, adopted a Proposed Decision containing Findings of Fact, Conclusions of Law and Decisions dated December 19, 1991. The Alaska Board found Respondent guilty of unprofessional conduct in the delivery of medical

services and imposed disciplinary action upon Respondent. The December 19, 1991 Proposed Decision considered proposed sanctions and made a recommendation as to sanction to the Alaska Board. The Alaska Board had, at a prior meeting on July 13, 1991, approved a prior set of Findings of Fact and Conclusions of Law dated July 10, 1991 in case ME 89L-40 concerning Respondent.

i. The conduct underlying the disciplinary action of the Alaska Board as set forth in the "Findings of Fact" in the proposed decision of July 10, 1990, consisted of Respondent consistently and unnecessarily positioning his patients so that the patient's knees were extremely close to Respondent's groin/genital area; Respondent repeatedly and unnecessarily touching the patient's thigh with his hand during the course of eye examinations and Respondent repeatedly making inappropriate and suggestive remarks to the patient during the course of the examination.

ii. The disciplinary action of the Alaska Board on January 23, 1991 placed Respondent on a two (2) year license probation; directed that Respondent refrain from making offensive or suggestive remarks to his patients; directed that Respondent's examination room door remain open while Respondent administered

eye examinations to female patients and fined Respondent Five Thousand Dollars (\$5,000.00).

B. The conduct of Respondent as found by the Alaska State Medical Board would constitute professional misconduct in New York by reason of Respondent's willfully harassing abusing, or intimidating a patient either physically or verbally pursuant to New York Educ. Law Section 6530(31)(McKinney Supp. 1993) [(formerly New York Educ. Law Section) 6509(9 and (8 NYCRR 29.2(2))] and/or conduct in the practice of medicine which evidences moral unfitness to practice medicine pursuant to New York Educ. Law Section 6530(20) (McKinney Supp. 1993) [(formerly New York Educ. Law Section 6509(9)) and (8 NYCRR 29.1(5))]

SECOND SPECIFICATION
