IN THE MATTER : STATEMENT  
OF : OF  
ALLEN SKLEROV, M.D. : CHARGES  
-----X

ALLEN SKLEROV, M.D., the Respondent, was authorized to practice medicine in New York State on November 17, 1966 by the issuance of license number 097887 by the New York State Education Department. The Respondent is not currently registered with the New York State Education Department to practice medicine in New York State. Respondent's current address is 4804 26th Street West, Bradenton, Florida 34207.

FACTUAL ALLEGATIONS

A. Respondent entered into a Stipulation on December 6, 1990 with the Department of Professional Regulation of the State of Florida, a duly authorized professional disciplinary agency, which took disciplinary action and conditioned Respondent's license to practice medicine in the State of Florida.

1. The Florida Department of Professional Regulation filed a complaint dated July 3, 1990 alleging that Respondent violated Section 458.331(1)(t), Florida Statutes, by gross or repeated

malpractice or the failure to practice medicine with that level of care, skill and treatment which is recognized as being acceptable under similar conditions and circumstances in that he failed to read the radiologist's report of an intravenous pyelogram (IVP) he had ordered be performed on a patient on or about September 20, 1983 and that he failed to diagnose the patient's renal mass. The complaint further alleged that Respondent violated Section 458.331(1)(m), Florida Statutes, by failing to keep written medical records justifying the course of treatment in that his records for the treatment of such patient failed to justify the reason for not reading the radiologist's report of the IVP, thereby misdiagnosing the patient's renal mass, and that Respondent failed to document the results of the IVP in the patient's medical record.

2. By entering into said Stipulation, Respondent agreed to the imposition of an administrative fine of \$2000, the receipt of a reprimand from the Board of Medicine of the Florida Department of Professional Regulation and the monitoring of Respondent's practice of medicine for a one year period.

3. Respondent's conduct would have constituted professional misconduct in New York State pursuant to §6530(4) and/or (32), (McKinney Supp. 1993), i.e. practicing the profession with gross negligence on a particular occasion and/or failing to maintain a record for each patient which accurately reflects the evaluation and treatment of the patient.

SPECIFICATION OF CHARGES

HAVING BEEN FOUND GUILTY OF IMPROPER  
PROFESSIONAL PRACTICE OR PROFESSIONAL  
MISCONDUCT BY ANOTHER STATE

Respondent is charged with professional misconduct in violation of N.Y. Educ. Law §6530(9)(d) (McKinney Supp. 1993) [formerly N.Y. Educ. Law §6509(5)(d)] in that Respondent had disciplinary action taken against his license to practice medicine by a duly authorized professional disciplinary agency of another state, where the conduct resulting in such disciplinary action would, if committed in New York State, constitute professional misconduct under the laws of New York State, in that Petitioner charges:

1. The facts in Paragraphs A and A.1, A.2, and/or A.3.
