BPMC NO. #06-10

MORRIS MEILLER, M.D., says:

On or about November 6, 1967, I was licensed to practice medicine as a physician in the State of New York having been issued License No. 100309 by the New York State Education Department. I currently reside at 301 Shaeffer Avenue, Westminster, MD 21157

I am not currently registered with the New York State Education Department to practice as a physician in the State of New York.

I understand that the New York State Board for Professional Medical Conduct has charged me with one (1) Specification of professional misconduct which is based solely upon allegations made by the Maryland Board of Physicians in a matter pending in that jurisdiction, and which is as set forth in the Statement of Charges, annexed hereto, made a part hereof, and marked as Exhibit "A."

I am applying to the State Board for Professional Medical Conduct for an agreement to allow me to surrender my license as a physician in the State of New York and request that the Board issue this Surrender Order. In so doing, it is understood and agreed that nothing contained herein shall be construed as, or deemed, an admission of the factual allegations and Specification contained in the Statement of Charges.

I agree, hereby, not to contest the one (1) Specification set forth in the Statement of Charges (Exhibit A).

I understand that in the event that this proposed agreement is not granted by the State Board for Professional Medical Conduct, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such proposed agreement shall not be used against me in any way, and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the State Board for Professional Medical Conduct shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by a Committee on Professional Medical Conduct pursuant to the provisions of the Public Health Law.

I agree that, in the event the Board grants my Application, as set forth herein, an order of the Chairperson of the Board shall be issued in accordance with same upon issuance by the Board, which may be accomplished by mailing, by first class mail, a copy of the Order to me at the address set forth above or to my attorney or upon transmission via facsimile to me or my attorney, whichever is first.

After consultation with my attorney, I am making this agreement of my own free will and accord and not under duress, compulsion or restraint of any kind of manner.
