**IN THE MATTER
OF
MARK BERNARD LEW, M.D.**

**CONSENT
AGREEMENT
AND
ORDER**

Mark Bernard Lew, M.D., representing that all of the following statements are true, deposes and says:

That on or about March 24, 1978, I was licensed to practice as a physician in the State of New York, and issued License No.133922 by the New York State Education Department.

My current address is 2704 Glenwood Road, Brooklyn, NY 11210, and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct has charged me with one specification of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and made a part of this Consent Agreement.

I agree that I cannot successfully defend against the misconduct alleged, in full satisfaction of the charges against me, and agree to the following penalty:

My license to practice medicine in the State of New York shall be suspended for two years, with such suspension to be stayed. I shall be subject to a two year period of probation in accordance with the terms set forth in the appended Exhibit "B". In addition, I will be required to pay a fine, which I hereby stipulate to be in accordance with Section 230 a(7) of the Public Health Law, of

\$120,000, payable in twelve consecutive \$10,000 monthly payments with the first payment due 30 days after receipt of a duly executed copy of the within Consent Order. Checks shall be made payable to "New York State Department of Health" and forwarded to the following address:

Revenue Unit
New York State Department of Health
Empire State Plaza
Corning Tower, Rm 1258
Albany, N.Y. 12237

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall maintain current registration of licensure with the New York State Education Department Division of Professional Licensing Services (except during periods of actual suspension), and shall pay all registration fees. This condition shall take effect thirty (30) days after the Consent Order's effective date and will continue so long as Respondent remains licensed in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents

and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that if I am charged with professional misconduct in future, this Consent Agreement and Order **shall** be admitted into evidence in that proceeding.

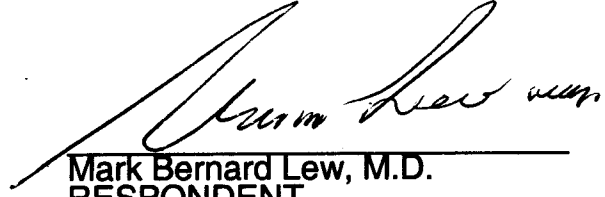

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first.

I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive

my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.
