IN THE MATTER : STATEMENT
OF : OF
NEIL SOLOMON, M.D. : CHARGES
-----X

NEIL SOLOMON, M.D., the Respondent, was authorized to practice medicine in New York State on July 10, 1981, by the issuance of license number 146912 by the New York State Education Department. Respondent is not currently registered with the New York State Education Department to practice medicine in New York State.

FACTUAL ALLEGATIONS

1. Respondent, on or about October 27, 1993, surrendered his license to practice medicine to the State of Maryland Board of Physician Quality Assurance in lieu of summary suspension and revocation of his license by said Board which voted, on October 13, 1993, to charge Respondent with immoral or unprofessional conduct in the practice of medicine in violation of Maryland Health Occupations Code §14-404(a)(3).

2. The conduct underlying the surrender of Respondent's license consisted of Respondent engaging in sexual relations with at least eight women patients. More specifically, Respondent, for at least the past twenty years, used his position as a physician to instigate a wide range of sexual relations with the eight patients, which conduct included acts of sexual intercourse, as well as other explicit sexual acts, and which activities took place in Respondent's medical office during patient visits, as well as other locations. Further, Respondent misused his influence as a physician and the trust the patients placed in him for his own sexual gratification.

3. The conduct underlying the surrender of Respondent's license to the Maryland Board would, if committed in New York State, constitute professional misconduct under N.Y. Educ. Law §6530(20) [conduct in the practice of medicine which evidences moral unfitness to practice medicine] and/or N.Y. Educ. Law §6530(2) [practicing the profession fraudulently] (McKinney Supp. 1993).

SPECIFICATION

Respondent is charged with professional misconduct within the meaning of N.Y. Educ. Law §6530(9)(d) (McKinney Supp. 1993) by reason of his having his license to practice medicine revoked, suspended or having other disciplinary action taken, or having his application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York State, constitute professional misconduct under the laws of New York State, in that Petitioner charges the facts in Paragraphs 1, 2 and 3.
