OF  
GARY EVAN SIVAK, MD

CONSENT AGREEMENT  
AND  
ORDER  
BPMC #99-267

GARY EVAN SIVAK M.D., (Respondent) states:

That on or about April 9, 1984, I was licensed to practice as a physician in the State of New York, having been issued License No. 157866 by the New York State Education Department.

My current address is 138 Pepperdine Drive, Elyria, OH 44035, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address.

I understand that the New York State Board for Professional Medical Conduct has charged me with two (2) specifications of professional misconduct.

A copy of the Statement of Charges is annexed hereto, made a part hereof, and marked as Exhibit A.

I agree not to contest the two (2) specifications, in full satisfaction of the charges against me. I hereby agree to the following penalty:

My license shall be suspended for an indefinite period of no less than one year. One year after the effective date of this order and after compliance with all conditions, I may petition the State Board for

Professional Medical Conduct for a Modification Order, staying the suspension and permitting me to practice as a physician under whatever limitation(s), term(s) of probation, or further conditions the Board, in its reasonable discretion, exercised by a Committee on Professional Conduct, may impose. I understand and agree that the Committee's determination shall not be reviewable through recourse to the Administrative Review Board.

I further agree that the Consent Order for which I hereby apply shall impose the following conditions:

That, except during periods of actual suspension, I shall maintain current registration of my license with the New York State Education Department Division of Professional Licensing Services, and pay all registration fees. This condition shall be in effect beginning thirty days after the effective date of the Consent Order and will continue while Respondent possesses his license; and

That I shall fully cooperate in every respect with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigation of all matters regarding Respondent. I shall respond in a timely manner to each and every request by OPMC to provide written periodic verification of Respondent's compliance with the terms of this Order. I shall meet with a person designated by the Director of OPMC as directed. I shall respond promptly and provide any and all documents and information within my control upon the direction of OPMC. This condition shall be in

effect beginning upon the effective date of the Consent Order and will continue while I possess my license.

I hereby stipulate that any failure by me to comply with such conditions shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that in the event I am charged with professional misconduct in the future, this agreement and order shall be admitted into evidence in that proceeding.

I hereby make this application to the State Board for Professional Medical Conduct (the Board) and request that it be granted.

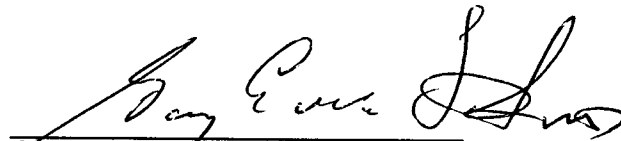

I understand that, in the event that this application is not granted by the Board, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such application shall not be used against me in any way and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the Board shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by the Board pursuant to the provisions of the Public Health Law.

I agree that, in the event the Board grants my application, as set forth herein, an order of the Chairperson of the Board shall be issued in accordance with same. I agree that such order shall be effective upon issuance by the Board, which may be accomplished by mailing, by first class mail, a copy of the Consent Order to me at the address set forth in this agreement, or to my attorney, or upon transmission via facsimile to me or my attorney, whichever is earliest.

I am making this application of my own free will and accord and not under duress,

compulsion or restraint of any kind or manner. In consideration of the value to me of the acceptance by the Board of this application, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive any right I may have to contest the Consent Order for which I hereby apply, whether administratively or judicially, and ask that the application be granted.

## EXHIBIT "B"

1. The suspension of Respondent's license shall be terminated only upon a showing to the satisfaction of a Committee on Professional Conduct of the State Board for Professional Medical Conduct (henceforth "Committee") that he has successfully complied with or completed a course of therapy and ongoing evaluation, which successful compliance or completion must include a determination by said Committee that he is no longer incapacitated for the practice as a Physician and that he is both fit and clinically competent to practice as a Physician. Respondent shall provide to the Office of Professional Medical Conduct a proposed treatment plan, for advice as to whether it is generally appropriate, but the determination of successful compliance with or completion of the course of therapy shall be made solely by the Committee, and shall include, but not be limited to, a determination that Respondent is no longer incapacitated for the active practice as a Physician.

2. Upon Respondent's request, but after the passage of the minimum period of suspension, a meeting of a Committee shall be convened for the purpose of hearing and evaluating Respondent's showing referred to in paragraph 1. The Board will make reasonable attempts to convene a Committee not later than 120 days after Respondent's request, which shall not be deemed to have been perfected until receipt, by the Director of the Office of Professional Medical Conduct, of all that is required to be provided by Respondent pursuant to the Conditions imposed upon her and pursuant to paragraph 3 below. The procedural nature of said proceeding shall be determined by the State Board for Professional Medical Conduct through the discretion of the Director of the Office of Professional Medical Conduct upon consultation with Counsel, Bureau of Professional Medical Conduct. Proceedings before said Committee shall *not* be in the nature of a *hearing* pursuant to New York Public Health Law §230, but shall instead be informal and intended only for the purpose of addressing any and all facts, evidence, information, circumstances, or issues which do or may relate to the advisability of terminating the suspension of Respondent's license. The Committee shall be given access to evidence including, but not limited to:

- a. Any and all evidence pertaining to Respondent's compliance with the Conditions imposed.
- b. Any evidence which the Director of the Office of Professional Medical Conduct or Counsel, Bureau of Professional Medical

Conduct deems appropriate.

3. At the time that Respondent requests that a meeting of a Committee be scheduled, pursuant to paragraph 2, he shall provide the Director of the Office of Professional Medical Conduct, New York State Department of Health, 433 River Street, Suite 303, Troy, NY 12180-2299, with the following:

- a. The signed acknowledgment from the sobriety monitor referred to in paragraph 5c.
- b. The signed acknowledgment from the supervising physician referred to in paragraph 5d.
- c. The signed acknowledgment from the health care professional referred to in paragraph 5e.
- d. Certified true and complete copies of records of all evaluation and treatment, relating to his impairment, whether that evaluation and treatment occurred prior to or during the time this suspension is in effect. These records shall include documentation of the results of all tests conducted to evaluate Respondent's fitness and his clinical competence to practice medicine. Such records shall include documentation of his participation in the program(s) of the Committee for Physicians' Health of the New York State Medical Society, or other equivalent program(s).
- e. Fully executed waivers of patient confidentiality concerning any previous and prospective treatment records.
- f. An independent current psychiatric evaluation by a board certified psychiatrist. Also, upon request of the Director of OPMC, a current in-depth chemical dependency evaluation by a health care professional in a licensed facility.
- g. Respondent's attendance at, participation in, and cooperation with an interview conducted by personnel of OPMC, upon the request of the Director thereof.

Provision of the aforesaid documents will not, alone, constitute a showing that Respondent is no longer incapacitated for active practice as a Physician.

4. At the proceeding referred to in paragraph 2, Respondent shall provide the committee, at a minimum, with the following:

- a. Certified true and complete records of all psychiatric, psychological, and/or any other mental health treatment, evaluation, and/or testing, whether in an out-patient, in-patient, office, consultation setting.
- b. Evidence of compliance with the terms of a continuing after-care out-patient treatment plan that addresses the major problems associated with his illness.
- c. Evidence that Respondent has maintained adequate knowledge and competence to practice as a physician. Such evidence shall include documentation of continuing medical education and, if so requested by the Director of OPMC, a report of an independent evaluation of Respondent's medical knowledge and competence.

Submission of the aforesaid evidence shall not, alone, constitute a showing that Respondent is no longer incapacitated for active practice as a Physician.

5. If the Chairperson of the Committee issues an order (Order) finding that Respondent has successfully completed the prescribed course of treatment and has regained fitness and competence to practice medicine, and therefore terminating the suspension of Respondent's license, the Order shall further impose a period of probation, pursuant to New York Public Health Law §230-a, during which his practice as a Physician shall be subject to conditions imposed. Respondent's practice shall be subject to such conditions for a period of no less than five years. The minimum conditions shall include the following:

- a. Respondent shall be required to comply with the terms of a continuing after-care treatment plan that addresses the major problems associated with his illness.
- b. At the direction of the Director of OPMC, Respondent shall submit to periodic interviews with, and evaluations by, a board certified psychiatrist or other licensed mental health practitioner designated by the Director. Said practitioner shall report to the Director regarding

Respondent's condition and his fitness or incapacity to practice as a Physician.

- c. Respondent's sobriety will be monitored by a health care professional proposed by Respondent and approved in writing by the Director of OPMC. Said monitor shall not be a personal friend. Said monitor shall be familiar with Respondent's history of chemical dependence, with this suspension and with the terms of probation to be set forth. Said sobriety monitor shall acknowledge his/her willingness to comply with the monitoring by executing the acknowledgment provided by OPMC.
  - i. Said monitor shall see Respondent at least twice during each month.
  - ii. Said monitor shall direct Respondent to submit to unannounced tests of his blood, breath and/or urine for the presence of drugs or alcohol and shall report to OPM within 24 hours if at any time such a test is positive or is refused by Respondent.
  - iii. Said monitor shall report to OPMC any noncompliance with the imposed conditions.
  - iv. Respondent shall ensure that said monitor submits to OPMC quarterly reports certifying Respondent's compliance or detailing Respondent's failure to comply with each of the conditions imposed. The reports shall include the results of all body fluid and/or breath tests for drugs and/or alcohol performed during that quarter.
- d. Respondent shall be supervised in his medical practice by a licensed physician, proposed by him and approved in writing by the Director of OPMC, in accordance with the conditions contained in or annexed to the Order. Said supervising physician shall be familiar with Respondent's history of impairment and with the Order and its conditions. Said supervising physician shall supervise Respondent's compliance with the conditions of practice imposed by the Order. Said supervising physician shall be in a position regularly to observe

and assess Respondent's medical practice. Said supervising physician shall acknowledge his/her willingness to comply with the supervision by executing the acknowledgment provided by OPMC.

- i. Respondent shall ensure that said supervising physician submits to OPMC quarterly reports regarding the quality of Respondent's medical practice, any unexplained absences from work and certifying his compliance or detailing his failure to comply with each condition imposed.
  - ii. Said supervising physician shall report any suspected impairment, inappropriate behavior, questionable medical practices or possible misconduct to OPMC.
- e. Respondent shall continue in treatment with a health care professional, proposed by Respondent and approved, in writing, by the Director of OPMC, for as long as the health care professional determines it is necessary.
- i. Respondent shall ensure that said treating health care professional or program submits to OPMC quarterly reports certifying that Respondent is complying with the treatment.
  - ii. Said treating health care professional shall report to OPMC immediately if Respondent is noncompliant with treatment plan or demonstrates any significant pattern of absences.
  - iii. Said treating health care professional shall acknowledge his/her willingness to comply with the above-mentioned reporting by executing the acknowledgment provided by OPMC.

6. The terms set out in paragraph 5 shall be the minimum probation terms, related to Respondent's fitness to practice, to be imposed on his practice upon terminating the suspension of his license, and that other terms may be added by the Committee, and that the costs of complying with all such terms will be Respondent's responsibility. Any failure by Respondent to comply with the conditions imposed upon his practice at the time of suspension termination, may result in disciplinary action being brought against him charging professional misconduct as defined by the New York State Education Law, including but not limited to N.Y. Educ. Law Section 6530(29).

7. Upon any denial of Respondent's petition for suspension termination made by the Committee, Respondent shall not again request convening a Committee until a minimum period of nine months has elapsed since such denial.

8. In addition to the terms set out in paragraph 5 and any other terms added by the Committee upon the termination of Respondent's license suspension, he shall also be subject to the following standard terms of probation:

- a. Respondent shall conduct himself in all ways in a manner befitting his professional status, and shall conform fully to the moral and professional standards of conduct and obligations imposed by law and by the profession of medicine.
- b. Respondent shall submit written notification of all sites of employment and/or medical practice to the New York State Department of Health addressed to the Director of the Office of Professional Medical Conduct, New York State Department of Health, 433 River Street, Suite 303, Troy, NY 12180-2299; said notice is to include a full description of any employment and practice, professional and residential addresses and telephone numbers within or without New York State, and any and all investigations, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility, within thirty days of each action.
- c. Respondent shall fully cooperate with and respond in a timely manner to requests from OPMC to provide written periodic verification of Respondent's compliance with the terms of this Order. He shall personally meet with a person designated by the Director of OPMC as requested by the Director.

- d. Any civil penalty not paid by the date prescribed herein shall be subject to all provisions of law relating to debt collection by New York State. This includes but is not limited to the imposition of interest, late payment charges and collection fees; referral to the New York State Department of Taxation and Finance for collection; and non-renewal of permits or licenses [Tax Law section 171(27)]; State Finance Law section 18; CPLR section 5001; Executive Law section 32].
- e. Any period of probation shall be tolled during periods in which Respondent is not engaged in the active practice as a Physician in New York State. Respondent shall notify the Director of OPMC, in writing, if he is not currently engaged in or intends to leave the active practice as a Physician in New York State for a period of thirty (30) consecutive days or more. Respondent shall then notify the Director again prior to any change in that status. The period of probation shall resume and any terms of probation which were not fulfilled shall be fulfilled upon Respondent's return to practice in New York State. The tolling provision set forth in this paragraph may be waived by the Director of OPMC, in the Director's discretion.
- f. Respondent's professional performance may be reviewed by the Director of OPMC. This review may include, but shall not be limited to, a review of office records, patient records and/or hospital charts, interviews with or periodic visits with Respondent and his staff at practice locations or OPMC offices.
- g. Respondent shall maintain legible and complete medical records which accurately reflect the evaluation and treatment of patients. The medical records shall contain all information required by State rules and regulations regarding controlled substances.
- h. Respondent shall comply with all terms, conditions, restrictions, limitations and penalties to which he is subject pursuant to the Order and shall assume and bear all costs related to compliance. Upon receipt of evidence of noncompliance with, or any violation of these terms, the Director of OPMC and/or the Board may initiate a violation of probation proceeding and/or any such other proceeding against Respondent as may be authorized pursuant to the law.
