IN THE MATTER
OF
LISA CAROL WOLF, M.D.

CONSENT
AGREEMENT
AND ORDER

LISA CAROL WOLF, M.D., (Respondent) representing that all of the following statements are true, deposes and says:

That on or about November 4, 1993, I was licensed to practice as a physician in the State of New York, and issued License No. 194169 by the New York State Education Department.

My current address is 637 Harvard Road, Bala Cynwyd, PA 19004.

I understand that the New York State Board for Professional Medical Conduct has charged me with one (1) specification of professional misconduct, based solely on a Commonwealth of Pennsylvania, Department of State, State Board of Medicine, September 12, 2005, Consent Agreement and Order.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I have never practiced medicine in the State of York and I do not intend to come to the State of New York to practice medicine. I, therefore, do not contest the one (1) specification, in full satisfaction of the charges against me.

The State of New York has offered to settle this matter by a Censure and Reprimand and a \$2,500.00 fine. As I do not intend to return to the practice of medicine in New York, however, I agree, therefore, in lieu of the settlement offered by the State of New York:

to never activate my registration to practice medicine in New York state
or seek to reapply for a license to practice medicine in New York state.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of all matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that if I am charged with professional misconduct in the future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, or upon facsimile transmission to me or my attorney, whichever is first. The Order, this agreement, and all attached Exhibits shall be public documents, with only patients identities, if any, redacted.

I stipulate that the proposed sanction and Order are authorized by Public Health Law Sections 230 and 230-a and that the Board for Professional Medical Conduct and the Office of Professional Medical Conduct have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of

a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.

AFFIRMED:

DATED: March 11, 2006

LISA CAROL WOLF, M.D.

The undersigned agree to Respondent's attached Consent Agreement and to its proposed penalty, terms and conditions thereof.

FACTUAL ALLEGATIONS

A. On or about September 12, 2005, the Commonwealth of Pennsylvania, Department of State, State Board of Medicine (hereinafter "Pennsylvania Board"), by a Consent Agreement and Order (hereinafter "Pennsylvania Order"), PUBLICLY REPRIMANDED Respondent and imposed a \$2,500.00 civil penalty, based on violating a lawful regulation of the Pennsylvania Board by continuing to practice medicine while her license to practice as a physician and surgeon was expired during the period from December 31, 2000 to August 26, 2003.

B. The conduct resulting in the Pennsylvania Board disciplinary actions against Respondent would constitute misconduct under the laws of New York state, pursuant to the following sections of New York State law:
