IN THE MATTER

OF

MOHAMMAD SAED IBRAHIM, M.D.

STATEMENT

OF

CHARGES

MOHAMMAD SAED IBRAHIM, M.D., the Respondent, was authorized to practice medicine in New York State on or about June 1, 1999, by the issuance of license number 214137 by the New York State Education Department.

FACTUAL ALLEGATIONS

- A. On or about April 21, 2015, in the Superior Court of New Jersey for Passaic County, Respondent was convicted, pursuant to a guilty plea, of one count of theft by deception, a crime in the third degree (the equivalent of a felony). Respondent was sentenced to probation for a period of one year, was required to perform one hundred hours of community service, and to pay restitution in excess of \$100,000, plus additional fees and other conditions.
- B. The conviction for theft by deception was for a crime which, had it been committed in New York, would have been a crime pursuant to §§ 155.30, 155.35, and/or 155.40 of the Penal Law.

C. On or about April 22, 2015, Respondent filed a Registration Application with the New York State Department of Education. Respondent answered "no" to the question "Have you been found guilty after trial, or pleaded guilty, no contest, or nolo contendere to a crime (felony or misdemeanor) in any court?" even though he had been convicted in New Jersey pursuant to his guilty plea the day before. Respondent, in signing the application, certified that the statements made in the application were true, complete, and correct. Respondent answered "no" knowing, or having reason to know, and with intent to mislead, that his answer of "no" was false.

D. On or about October 30, 2015, the New Jersey State Board of Medical Examiners ("Board") filed a "Consent Order Granting Surrender of License to Be Deemed A Revocation," ("Consent Order") which had been agreed to by Respondent on or about October 23, 2015. The New Jersey disciplinary matter was opened as a result of Respondent's indictment, was concluded after his conviction as referenced in Paragraph A, and found that Respondent had engaged in conduct involving moral turpitude and/or relating adversely to the practice of medicine, and failed to demonstrate on-going good moral character.

E. The conduct resulting in the Board's Consent Order would constitute misconduct under the laws of New York State pursuant to New York Education Law section 6530(20) (moral unfitness).
