I ask the Board to adopt this Consent Agreement.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the

proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

ONE NEW YORK STATE DEPARTMENT OF HEALTH
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER

OF

DAVID MARK NOAR, M.D.

STATEMENT

OF

CHARGES

DAVID MARK NOAR, M.D., the Respondent, was authorized to practice medicine in New York State on or about June 25, 1984, by the issuance of license number 158511 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about January 7, 2016, Respondent and the Maryland State Board of Physicians ("MSBP"), entered into a Consent Order, after Disciplinary Panel B of the Maryland Board of Physicians ("Board") charged Respondent under the Maryland Medical Practice Act (the "Act") Md. Code Ann., Health Occ. ("Health OCC.") §14-401 *et seq.* with specifically violating §14-404(a)(22)(Fails to meet appropriate standards as determined by appropriate peer review for the delivery of quality medical and surgical care) and §14-404(a)(40)(Fails to keep adequate medical records as determined by appropriate peer review). The MSBP conducted a peer review of six patient records after receiving a complaint from a hospital, and found that Respondent failed: to meet appropriate standards for the delivery of quality medical care in regard to his care and treatment of five patients for reasons including but not limited to performing unwarranted Endoscopic Retrograde Cholangio-pancreatography ("ERCP"), a risky, invasive procedure, without medical necessity; failed to recognize a leak of contrast dye during an ERCP in one patient; and failed to take appropriate steps to manage it.

The reviewers also found that Respondent failed to keep adequate medical records for two of the patients.

1. Pursuant to this Order, the Board issued Respondent a Reprimand; probation for a minimum of three years subject to terms and conditions including but not limited to: the first eighteen months of probation Respondent shall not perform ECRPs unless approved by a Board approved, Board-certified gastroenterologist (the "ERCP Supervisor"); and after eighteen months of supervision by the ERCP Supervisor, Respondent must obtain approval from the Disciplinary Panel B to resume performance of ERCP; and after Respondent resumes performance of ERCP, Respondent's performance of ERCP shall be subject to either peer review by an appropriate peer review entity, or a chart review by a Board designee, to be determined at the discretion of the Board.
2. The conduct resulting in the Board's Decision and Order against Respondent would constitute misconduct under the laws of New York State pursuant to New York Education Law §6530(3)(Practicing the profession with negligence on more than one occasion); and §6530(32)(Failing to maintain a record for each patient which accurately reflects the evaluation and treatment of the patient).

SPECIFICATION OF CHARGES
HAVING HAD DISCIPLINARY ACTION TAKEN

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having his or her license to practice medicine revoked, suspended or having other disciplinary action taken, or having his or her application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his or her license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or

suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state as alleged in the facts of the following:
