CONSENT
AGREEMENT

STEFAN O'CONNOR, M.D., represents that all of the following statements are true:

That on or about August 7, 1989, I was licensed to practice as a physician in the State of New York, and issued License No. 179394 by the New York State Education Department.

My current address is [REDACTED]

[REDACTED] and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one or more specifications of professional misconduct, as set forth in a Statement of Charges, marked as Exhibit "A", attached to and part of this Consent Agreement.

I shall agree not to contest the allegations against me, and agree to the following penalty:

I further agree that the Consent Order shall impose the following conditions:

SSC
8.7.17

Respondent shall comply with each and every penalty imposed by this Order pursuant to N.Y. Pub. Health Law § 230-a; and

Respondent, by making this application, asserts that Respondent does not currently practice medicine in New York State or in any setting or jurisdiction where that practice is predicated upon Respondent's New York State medical license ("New York Practice"). As a Condition of this Order, should Respondent in the future determine to commence New York Practice, Respondent shall, prior to commencing such practice, provide ninety (90) days advance notice in writing to the Director of OPMC. Respondent may not commence such practice until after Respondent receives the Director's written acknowledgment that this Condition has been satisfied, and shall be subject to any further Conditions the Director may impose upon Respondent's New York Practice based on matters underlying this Consent Agreement and/or any circumstances or information known to the Director at the time of Respondent's proposed commencement of New York Practice. Respondent, by making this Application, stipulates that, in the event the Respondent seeks to return to practice in New York, the Director shall be authorized in his sole discretion to impose whatever further Conditions the Director deems appropriate, and Respondent further stipulates that Respondent's failure to comply with such Conditions shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

SSC
8-7-17

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall remain in continuous compliance with all requirements of N.Y. Pub. Health Law § 2995-a(4) and 10 NYCRR 1000.5, including but not limited to the requirements that a licensee shall: report to the department all information required by the Department to develop a public physician profile for the licensee; continue to notify the department of any change in profile information within 30 days of any change (or in the case of optional information, within 365 days of such change); and, in addition to such periodic reports and notification of any changes, update his or her profile information within six months prior to the expiration date of the licensee's registration period. Licensee shall submit changes to his or her physician profile information either electronically using the department's secure web site or on forms prescribed by the department, and licensee shall

attest to the truthfulness, completeness and correctness of any changes licensee submits to the department. This condition shall take effect 30 days after the Order's effective date and shall continue so long as Respondent remains a licensee in New York State. Respondent's failure to comply with this condition, if proven and found at a hearing pursuant to N.Y. Pub. Health Law § 230, shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(21) and N.Y. Educ. Law § 6530(29). Potential penalties for failure to comply with this condition may include all penalties for professional misconduct set forth in N.Y. Pub. Health Law § 230-a, including but not limited to: revocation or suspension of license, Censure and Reprimand, probation, public service and/or fines of up to \$10,000 per specification of misconduct found; and

information. This condition shall take effect 30 days after the Order's effective date and shall continue at all times until Respondent receives written notification from the Office of Professional Medical Conduct, Physician Monitoring Program, that OPMC has determined that Respondent has fully complied with and satisfied the requirements of the Order, regardless of tolling; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order.

Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

550
8.7.17

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the

SSC 8.7-17

value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

EXHIBIT "A"

NEW YORK STATE DEPARTMENT OF HEALTH
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER

OF

STEFAN O'CONNOR, M.D.

STATEMENT

OF

CHARGES

STEFAN O'CONNOR, M.D., the Respondent, was authorized to practice medicine in New York State on or about August 7, 1989, by the issuance of license number 179394 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about May 25, 2016, Respondent and the Delaware Board of Medical Licensure and Discipline (hereinafter, "Delaware Board") entered into a Consent Agreement which reprimanded Respondent's license, assessed a fine in the amount of \$4,000, and directed Respondent to take and complete fifteen hours of continuing medical education in the area of safe prescribing of controlled substances. This discipline was based upon findings that Respondent failed to adequately maintain and properly document records, failed to document compliance with the requirements for the use of controlled substances for the treatment of pain, and demonstrated a pattern of negligence by his failure to document anything pertaining to a patient's medical care outside the patient's eye care and photosensitivity related to migraines. These findings were based upon Respondent's prescribing an employee Amphetamine Salts from September 2014 to June 2015 and controlled substances from October 2013 to August 2015 and that the prescribing of these medications were outside Respondent's scope of his Ophthalmology practice and that Respondent failed to document and/or failed to adequately maintain medical records pertaining to these prescriptions, treatment of the

patient, or any physical examinations of the patient other than eye exams and photosensitivity related to migraines.

B. The conduct resulting in the Delaware Board's disciplinary action against Respondent would constitute misconduct under the laws of New York State pursuant to the following Sections of New York State Law:

1. New York Education Law § 6530(3) (Practicing the profession with negligence on more than one occasion); and/or
2. New York Education Law § 6530(32) (Failing to maintain a record for each patient which accurately reflects the evaluation and treatment of the patient).

SPECIFICATION OF CHARGES

DISCIPLINARY ACTION IN ANOTHER STATE

Respondent violated New York State Education Law § 6530(9)(d) by having disciplinary action taken, where the conduct resulting in the disciplinary action involving the license would, if committed in New York State, constitute professional misconduct under the laws of New York State Law, in that Petitioner charges:

2. The facts in Paragraphs A and B and B1 and/or A and B and B2.
