AND
ORDER

ABRAHAM OSTAD, M.D., represents that all of the following statements are true:

That on or about August 1, 1972 I was licensed to practice as a physician in the State of New York, and issued License No. 113668 by the New York State Education Department.

My current address is [REDACTED].

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one or more specifications of professional misconduct, as set forth in a Statement of Charges, marked as Exhibit "A", which is attached to and part of this Surrender of License.

I am applying to the State Board for Professional Medical Conduct for permission to surrender my license as a physician in the State of New York on the grounds that I agree not to contest the allegations in full satisfaction of the charges against me.

I ask the Board to accept my Surrender of License, and I agree to be bound by all of the terms set forth in attached Exhibit "B".

I understand that, if the Board does not accept my Surrender of License, none of its terms shall bind me or constitute an admission of any of the acts of misconduct alleged; this application shall not be used against me in any way and shall be kept in strict

I agree that, if the Board accepts my Surrender of License, the Chair of the Board shall issue a Surrender Order in accordance with its terms. I ask the Board to accept this Surrender of License, which I submit of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's acceptance of this Surrender of License, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Surrender Order for which I apply, whether administratively or judicially, and I agree to be bound by the Surrender Order.

I understand and agree that the attorney for the Department, the Director of the Office of Professional Medical Conduct and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed agreement and Order, based upon my application, or to decline to do so. I further

understand and agree that no prior or separate written or oral communication can limit that discretion.

- A. On or about November 10, 2015, the Respondent pled guilty to one count of Criminal Contempt in the Second Degree, in violation of Penal Law Section 215.50 (3) and was sentenced on January 12, 2016 to three years of probation, fines of \$250.00 and was issued a five-year order of protection. Arrest records indicate that this arrest and conviction stemmed from a third-party witness reporting that the Respondent slapped his wife while at a bank and while there was a full stay away order prohibiting the Respondent from having any contact with his wife.
- B. On or about May 23, 2013, the Respondent plead guilty to Assault in the Second Degree, in violation of Penal Law Section 120.05 (12), a class D felony and was sentenced on October 3, 2013 to five years of probation, fines of \$375.00 and was issued an eight-year order of protection. This conviction stemmed from an incident on October 7, 2012, where the police were called to the Respondent's home after one of his sons had called to report a domestic incident. When police arrived, they found two separate vehicles attempting to leave the driveway, the Respondent's son approached the police and handed them a stainless-steel steak knife, stating the Respondent was chasing him, his brother and his mother around with it and was going to stab them. Per the Respondent's son, they went to the home to retrieve some of his mother's belongings, the Respondent insisted on speaking with his wife alone, which the sons did not allow. At this point the Respondent became irate and threatened to throw stuff, and grabbed the knife and put it near their faces.

At the time Respondent answered "No" to this question, Respondent had pending criminal charges for Assault in the Second Degree, a class D felony, as well as Menacing in the Second Degree and Criminal Possession of a Weapon in the Fourth Degree, class A misdemeanors. Respondent's answer was false, he knew the answer was false, and he intended to mislead through a false representation.
