IN THE MATTER

OF

MUNIR ERIM, M.D.

: APPLICATION TO

: SURRENDER LICENSE
: BPMC # 01-98

MUNIR ERIM, M.D., Respondent, states that I was authorized to practice medicine in New York State on October 5, 1971, by the issuance of License No. 110422 by the New York State Education Department.

I am not currently registered with the New York State Education Department to practice in the State of New York. My address is 55 Woods Lane, Colonia, NJ 07067.

I am the subject to Order No. BPMC 00-368 annexed hereto, made a part hereof, and marked as Exhibit 1. I am applying to the State Board for Professional Medical Conduct for an Order (henceforth "Modification/Surrender Order"), modifying the original order with the surrender of my license to practice medicine in the State of New York. This application to modify the prior order is based upon the fact that I do not intend to practice medicine in the State of New York, and upon the understanding that this modification/surrender order will be a revision of the original order, with the surrender predicated upon the same matter as was the original order. The modification/surrender order to be issued will not constitute a new disciplinary action against me, but will substitute license surrender for the sanction imposed by the original order.

I make this application to the State Board for Professional Medical Conduct (Board) and request that it be granted.

I understand that, in the event that the application is not granted by the Board, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me.

I make this application to the Board and request that it be granted by execution by the Chairperson of the Board of the attached modification/surrender order. I agree that, in the event the Board grants my application, an order shall be issued striking my name from the roster of physicians in the State of New York without further notice to me.

I am making this application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner. In consideration of the Board's granting of this application to modify my prior consent order, I fully, freely waive any right I may have to appeal or otherwise challenge the validity of the said modification/surrender order.

DATE: 3/27, 2001

MUNIR ERIM, M.D.

I further agree that the Consent Order for which I hereby apply shall impose the following conditions:

That, except during periods of actual suspension, Respondent shall maintain active registration of Respondent's license with the New York State Education Department Division of Professional Licensing Services, and pay all registration fees. This condition shall be in effect beginning thirty days after the effective date of The Consent Order and will continue while the licensee possess his/her license; and

I hereby make this Application to the State Board for Professional Medical Conduct (the Board) and request that it be granted.
