DETERMINATION
AND
ORDER

17-335

A hearing was held on November 16, 2017, at the offices of the New York State Department of Health (Department).¹ Pursuant to § 230(10)(e) of the Public Health Law (PHL), **JAMES M. LEONARDO, M.D., Ph.d.**, Chairperson, **MARY E. RAPPAZZO, M.D.** and **JANET R. AXELROD, ESQ.**, duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. **DAWN MacKILLOP-SOLLER, ADMINISTRATIVE LAW JUDGE (ALJ)**, served as the Administrative Officer.

The Department appeared by Pooja Rawal, Senior Attorney. A Notice of Referral Proceeding and Statement of Charges dated August 23, 2017, were served upon Romie Roland, M.D. (Respondent), who did not appear at the hearing.² The Hearing Committee received and examined documents from the Department (Exhibits 1-4) and a stenographic reporter prepared a transcript of the proceeding. After consideration of the entire record, the Hearing Committee sustains the charge that the Respondent committed professional misconduct, in violation of Education Law (Educ. Law) § 6530(9)(a)(ii), by having been convicted of committing an act constituting a crime under federal law. The Hearing Committee unanimously votes 3-0 to revoke the Respondent's medical license in the state of New York.

¹ The location of the hearing was 150 Broadway, Suite 510, Menands, New York.

² Copies of the Notice of Referral Proceeding and Statement of Charges are attached to this Determination and Order as Appendix I and were personally served on the Respondent at FCI Talladega in Talladega, Alabama, on September 20, 2017, establishing jurisdiction. [Exhibit 1].

BACKGROUND

This case began with an Order by the Commissioner of Health, Howard A. Zucker, M.D., J.D., summarily suspending the Respondent's medical license pursuant to PHL § 230(12)(b). The Department brought the case pursuant to PHL § 230(10)(p), which provides for a hearing when a registered provider or licensee is charged solely with a violation of Educ. Law § 6530(9). In such cases, the charge of misconduct is based upon a prior criminal conviction in New York or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The Respondent is charged with one specification of professional misconduct pursuant to Educ. Law § 6530(9)(a)(ii) by having been convicted of committing acts constituting crimes under federal law, specifically count one, Conspiracy, under 21 U.S.C. § 846, and counts 9, 12, 13, 15, 16, 18 and 20, Distribution of a Controlled Substance, under 21 U.S.C. §§ 841(a)(1), (b)(1)(C) and (b)(2).

FINDINGS OF FACT

These Findings of Fact were made by the Hearing Committee after a review of the record in this matter. Under PHL § 230(10), the Department had the burden of proving its case by a preponderance of the evidence. The references in brackets refer to exhibits [Ex.]. The following findings and conclusions are the unanimous determinations of the Hearing Committee:

1. On October 2, 1989, the Respondent was authorized to practice medicine in New York by the Education Department and was issued license number 180218. [Ex. 2].
2. On or about February 22, 2017, in the United States District Court, Northern District of Georgia, Atlanta Division, the Respondent was found guilty of count one, Conspiracy, under 21 U.S.C. § 846, and counts 9, 12, 13, 15, 16, 18 and 20, Distribution of Controlled Substances, under 21 U.S.C. §§ 841(a)(1), (b)(1)(C) and (b)(2). The felony convictions are based on the Respondent's

prescriptions for controlled substances to patients in 2013 and 2014 that were in excessive quantities and issued to an extremely large number of individuals residing in Georgia and other states. On February 22, 2017, the Respondent was sentenced to 130 months imprisonment, three years of supervised release and a special assessment in the amount of \$800.00. [Ex. 3].

VOTE OF THE HEARING COMMITTEE

The Respondent violated New York Educ. Law § 6530(9)(a)(ii) by having been convicted of committing an act constituting a crime under federal law.

VOTE: Sustained (3-0)

CONCLUSIONS OF LAW

In the United States District Court, Northern District of Georgia, a federal court, the Respondent was adjudicated guilty to the felony crimes of Conspiracy, count one, pursuant to 21 U.S.C. § 846, and Distribution of a Controlled Substance, counts 9, 12, 13, 15, 16, 18 and 20, under U.S.C. §§ 841(a)(1), (b)(1)(C) and (b)(2). The conduct that is the subject of the Statement of Charges in this action constitutes crimes under federal law. Therefore, the specification of misconduct contained in the Statement of Charges of this proceeding is sustained.

The Hearing Committee considered the full spectrum of penalties available by statute, including revocation, suspension and/or probation, censure and reprimand, and the imposition of monetary penalties and determined that the Respondent's participation in a profitable scheme to prescribe large dosages of Oxycodone, Morphine and other drugs to "an inordinate amount of people" to fill at pharmacies "around the nation," warranted revocation of his medical license. [Ex. 3]. In issuing such prescriptions – without any legitimate medical purpose and in cases where it was obvious patients were abusing or diverting the drugs – the Hearing Committee found the Respondent breached

the public's trust by using his medical license to place a substantial number of people at risk for severe harm.

ORDER

IT IS HEREBY ORDERED THAT:

1. The specification of professional misconduct, as set forth in the Statement of Charges, is **SUSTAINED**;
2. The Respondent's license to practice as a physician in New York is **REVOKED**;
3. This Determination and Order shall be effective upon service on the Respondent. Service shall be either by certified mail or upon the Respondent at his last known address and such service shall be effective upon receipt or seven days after mailing by certified mail, whichever is earlier, or by personal service and such service shall be effective upon receipt.
