SYEDA FAROOQUI, M.D., says:

On or about October 18, 1994, I was licensed to practice as a physician in the State of New York, having been issued license number 197542 by the New York State Education Department.

My current address is 230 Curly Court, Paramus, New Jersey, 07652 and I will advise the Director of the Office of Professional Medical Conduct of any change of my address.

I understand that I have been charged with two specifications of professional misconduct as set forth in the Statement of Charges, annexed hereto, made a part hereof, and marked as Exhibit A.

I admit guilt to both specifications.

I hereby agree to the following penalty: Censure and Reprimand; pay a \$10,000.00 fine, within fourteen days of the effective date of this order; and full compliance with this Order

and its Conditions annexed hereto, made a part hereof, and marked as Exhibit B.

I agree that in the event that I am charged with professional misconduct in the future, this agreement and order shall be admitted into evidence in that proceeding.

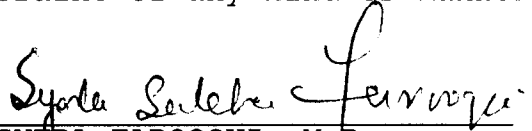

I agree that, as a condition of this Order, I will maintain current registration of my license with the New York State Education Department, Division of Professional Licensing Services, and pay all registration fees. This condition will remain in effect except during periods of actual suspension, if any, imposed by this Order. This condition shall be in effect beginning thirty days after the effective date of this Order and will continue until the full term of the Order has run, and until any associated period of probation and all probation terms have been completed and satisfied. I understand that any failure by me to comply with this condition shall constitute misconduct as defined by New York State Education Law §6530(29).

I understand that, in the event that the Board does not grant this application, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me; such application shall not be used against me in any way and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the Board shall be made without prejudice to the continuance of any disciplinary proceeding and

the final determination by the Board pursuant to the provisions of the Public Health Law.

I agree that, in the event the State Board for Professional Medical Conduct grants my application, an order of the Chairperson of the Board shall be issued in accordance with same.

I make this application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner.
