**IN THE MATTER
OF
TIMOTHY MORLEY, D.O.**

**STIPULATION AND
APPLICATION
FOR AN INTERIM
ORDER OF
CONDITIONS
PURSUANT TO
N.Y. PUB. HEALTH
LAW § 230**

TIMOTHY MORLEY, D.O., represents that all of the following statements are true:

That on or about October 20, 2011, I was licensed to practice as a physician in the State of New York and issued License No. 263342 by the New York State Education Department.

My current office addresses are: 37 Moore Avenue, #3, Mount Kisco, N.Y. 10549 and 1133 Westchester Ave. White Plains, N.Y. I am affiliated with the following hospitals and/or facilities: _____.

I understand that the New York State Board for Professional Medical Conduct ("the Board") is investigating alleged misconduct by me, and may pursue a proceeding pursuant to N.Y. Pub. Health Law § 230 with respect to the issues set forth in attached Exhibit "A" ("matters under investigation").

I agree to the Board's issuance of an Interim Order of Conditions precluding me from practicing medicine in New York State except as specifically permitted under the conditions set forth below, and I agree to be bound by the Order, which shall continue in effect until:

- a determination by the Director of the Office of Professional Medical Conduct that no hearing is warranted; or

- the resolution by consent order of the matters under investigation; or
- issuance and service of a Hearing Committee's Determination and Order after the conclusion of a hearing held pursuant to a determination of the Commissioner of Health or the Director of the Office of Professional Medical Conduct. The Hearing Committee's Determination and Order shall replace this Interim Order of Conditions. If either party requests review by the Administrative Review Board, the Hearing Committee's Determination and Order, and any sanction, terms or conditions imposed upon me, shall remain in effect until the ARB renders its determination and shall, in the same manner as a Commissioner's Order pursuant to N.Y. Pub. Health Law § 230-c(4), not be subject to a stay.

I understand that nothing in this Application shall be construed as an admission by me of any act of alleged misconduct or as a finding of misconduct as to the matters under investigation. My application for the proposed Interim Order is made in consideration of the value to me of the Board's allowing me to continue to provide explanation of the issues under investigation to the Office of Professional Medical Conduct ("OPMC") and, if the Board pursues disciplinary proceedings against me, to allow for additional preparation time. I deny any acts of misconduct and reserve my right to assert all defenses on my behalf in any later or other proceeding.

This Interim Order shall impose the following Conditions on me pursuant to N.Y. Pub. Health Law § 230:

1. Licensee, in the practice of medicine at any and all locations in New York State or where Licensee's practice is authorized on the basis of his New York State medical license, shall be precluded from phlebotomy, infusions, injections, and the preparation of medication for infusions and/or injections.
2. Licensee's conduct shall conform to moral and professional standards of conduct and governing law. Any act of professional misconduct by Licensee as defined in N.Y. Educ. Law §§ 6530 or 6531 shall constitute a violation of this Order and may subject Licensee to an action pursuant to N.Y. Pub. Health Law § 230.
3. Licensee shall provide the Director, Office of Professional Medical Conduct (OPMC), Riverview Center, 150 Broadway, Suite 355, Albany, New York 12204-2719 with the following information, in writing, and ensure that this information is kept current: a full description of Licensee's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; all current and past affiliations and/or privileges, with hospitals, institutions, facilities, medical practices, managed care organizations, and/or applications for such affiliations and/or privileges; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Licensee shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information, except that Licensee shall provide immediate notice of any changed or additional practice site.

4. Licensee shall cooperate fully with OPMC in its administration and enforcement of this Interim Order and in its investigation of Licensee. Licensee shall respond in a timely manner to all OPMC requests for written periodic verification of compliance with the terms of this Interim Order. Licensee shall meet in person with the Director's designee, as directed. Licensee shall respond promptly and provide all documents and information within Licensee's control, as directed. This condition shall take effect upon the effective date of the Interim Order and shall continue while Licensee possesses a license.
5. Licensee shall maintain complete and legible medical records that accurately reflect the evaluation and treatment of patients.
6. The Director may review Licensee's professional performance. This review may include but shall not be limited to: a review of office records, patient records and/or hospital charts; and interviews with or periodic visits with Licensee and staff at practice locations or OPMC offices.
7. Licensee shall provide access for DOH personnel to any location at which Licensee practices or maintains a medical practice office to verify Licensee's compliance with this Interim Order; this access shall include, but not be limited to, on-site inspections, observation and interviews.
8. Licensee shall comply with this Order and all its terms, and shall bear all associated compliance costs.

I stipulate that:

My failure to comply with the Conditions imposed by this Interim Order shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(29); and

Any practice of medicine by me in New York State in violation of this Interim Order shall be unauthorized and constitute professional misconduct as defined in N.Y. Educ. Law § 6530(2); and

Unauthorized medical practice is a felony as defined in N.Y. Educ. Law § 6512.

I understand and agree that my failure to comply with any of the terms of this Interim Order shall authorize the Director, exercising reasonable discretion, to pursue further investigation and/or prosecution of misconduct charges against me as to any misconduct issues, including but not limited to those set forth in Exhibit "A", to the full extent authorized by N.Y. Pub. Health Law and N.Y. Educ. Law.

I agree that, if the Board grants this Application, the Chair of the Board shall issue an Interim Order of Conditions in accordance with its terms. I further agree that the Department of Health shall notify the National Practitioner Data Bank and the Federation of State Medical Boards of this Interim Order of Conditions pursuant to N.Y. Pub. Health Law § 230 and that the change in my licensure status is not disciplinary in nature. This Interim Order of Conditions [with the exception of Exhibit "A," which shall remain a part of the investigative files of the Office of Professional Medical Conduct within the meaning of N.Y. Pub. Health Law § 230(10)(a)(v)] shall be posted on the Department of Health website(s).

I make this Application of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's acceptance of this Application, I waive my right to contest the Interim Order for which I apply, whether administratively or

judicially, I agree to be bound by the Interim Order, and I ask that the Board grant this Application.

I understand and agree that the attorney for the Department, the Director of the Office of Professional Medical Conduct and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed agreement and Interim Order, based upon my Application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.
