IN THE MATTER
OF
SUSAN HARALABATOS, M.D.

STATEMENT
OF
CHARGES

SUSAN HARALABATOS, M.D., the Respondent, was authorized to practice medicine in New York State on or about September 8, 1989, by the issuance of license number 179890 by the New York State Education Department.

FACTUAL ALLEGATIONS

- A. On or about April 5, 2018, the Respondent entered into a Stipulated Order ("Order") with the Oregon Medical Board ("OR Board"). The Respondent was Reprimanded and ordered to perform her first five operative procedures involving pediatric patients in the presence of a board-certified pediatric orthopedist/orthopedist who specializes in pediatric orthopedics whom will submit a report to the Board. The proctor must also review 20 additional pediatric operative cases of the Respondent's and provide a report within 180 days from the date the Board Chair signs the Order.
- B. The Order was based on findings that the Respondent engaged in gross or repeated acts of negligence relating to the care and treatment of five patients detailed in the October 11, 2016 Complaint & Notice of Proposed Disciplinary Action ("Complaint"). The Complaint found the Respondent engaged in a pattern of practice that unnecessarily exposed her patients to the risk of harm and constituted gross or repeated acts of negligence by being overly aggressive in performing surgery on patients where surgery was not indicated; employed substantial surgical technique, to include failing to adequately reduce fractures; failing to properly place screws (or use enough screws) to hold the reduction in place; and over relying upon fluoroscopy,

resulting in extended radiation exposure to patients. By taking these patients to surgery rather than relying upon closed reduction and immobilization, Respondent unnecessarily exposed young patients to the risk of surgery- to include the risk of infection and other complications, and the need for subsequent corrective procedures.

C. The conduct resulting in the OR Board's disciplinary action against the Respondent would constitute misconduct under the laws of New York State pursuant to the following sections of New York State Law:

1. New York Education Law §6530(3) (Practicing the profession with negligence on more than one occasion); and/or
2. N.Y. Educ. Law § 6530(4) (Practicing the profession of medicine with gross negligence on a particular occasion).

SPECIFICATION OF CHARGES

FIRST SPECIFICATION

HAVING HAD DISCIPLINARY ACTION TAKEN

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having his or her license to practice medicine revoked, suspended or having other disciplinary action taken, or having his or her application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his or her license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state as alleged in the facts of the following:

1. The facts in Paragraphs A, B, C and/or C1 and/or C2.

SECOND SPECIFICATION

HAVING BEEN FOUND GUILTY OF PROFESSIONAL MISCONDUCT

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(b) by having been found guilty of improper professional practice or professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state as alleged in the facts of the following:
