**PLEASE TAKE NOTICE THAT:**

An adjudicatory proceeding will be held pursuant to the provisions of N.Y. Pub. Health Law §230(10)(p) and N.Y. State Admin. Proc. Act §§301-307 and 401. The proceeding will be conducted before a committee on professional conduct of the State Board for Professional Medical Conduct (Committee) on October 23, 2019, at 10:30 a.m., at the offices of the New York State Department of Health, 90 Church Street, 4<sup>th</sup> Floor, New York, NY 10007, and at such other adjourned dates, times and places as the committee may direct.

At the proceeding, evidence will be received concerning the allegations set forth in the Statement of Charges, which is attached. A stenographic record of the proceeding will be made and the witnesses at the proceeding will be sworn and examined.

You may appear in person at the proceeding and may be represented by counsel who shall be an attorney admitted to practice in New York state. You may produce evidence or sworn testimony on your behalf. Such evidence or sworn testimony shall be strictly limited to evidence and testimony relating to the nature and severity of the penalty to be imposed upon the licensee. Where the charges are based on the conviction of state law crimes in other jurisdictions, evidence may be offered which would show that the conviction would not be a crime in New York State. The Committee also may limit the number of witnesses whose testimony will be received, as well as the length of time any witness will be permitted to testify.

If you intend to present sworn testimony, the number of witnesses and an estimate of the time necessary for their direct examination must be submitted to the New York State Department of Health, Division of Legal Affairs, Bureau of Adjudication, Riverview Center, 150 Broadway - Suite 510, Albany, NY 12204-2719, ATTENTION: HON. JAMES HORAN, DIRECTOR, BUREAU OF ADJUDICATION (Telephone: (518-402-0748), (henceforth "Bureau of Adjudication") as well as the Department of Health attorney indicated below, no later than twenty days prior to the scheduled date of the Referral Proceeding, as indicated above.

Pursuant to the provisions of N.Y. Pub. Health Law §230(10)(p), you shall file a written answer to each of the charges and allegations in the Statement of Charges at least ten days prior to the date of the hearing. Any charge or allegation not so answered shall be deemed admitted. You may wish to seek the advice of counsel prior to filing such answer. You may also file a written brief and affidavits with the Committee. All such documents shall be filed with the Bureau of Adjudication, at the address indicated above, and a copy shall be forwarded to the attorney for the Department of Health whose name appears below, at least ten days prior to the date of the hearing. Should the parties have objection(s) to proposed witnesses or documentary evidence, the party raising the objection(s) shall contact the Bureau of Adjudication at least three days prior to the hearing date to arrange for a pre-hearing conference with the Administrative Law Judge, prior to the hearing date.

Not later than ten days prior to the date of the hearing, you are required to file one copy of your proposed exhibits (if any) with the Bureau of Adjudication at the address indicated above, and a copy of all such documents/exhibits must be served on the same date on the Department of Health attorney indicated below. On the day of the hearing, you are also required to provide the original of such exhibits and three copies, for use by the Committee.

Pursuant to §301(5) of the State Administrative Procedure Act, the Department, upon reasonable notice, will provide at no charge a qualified interpreter of the deaf to interpret the proceedings to, and the testimony of, any deaf person. Pursuant to the terms of N.Y. State Admin. Proc. Act §401 and 10 N.Y.C.R.R. §51.8(b), the Petitioner hereby demands disclosure of the evidence that the Respondent intends to introduce at the hearing, including the names of witnesses, a list of and copies of documentary evidence and a description of physical or other evidence which cannot be photocopied.

YOU ARE HEREBY ADVISED THAT THE ATTACHED CHARGES WILL BE MADE PUBLIC FIVE BUSINESS DAYS AFTER THEY ARE SERVED.

Department attorney: Initial here [REDACTED]

Please note that requests for adjournments must be made in writing to the Bureau of Adjudication, at the address indicated above, with a copy of the request to the attorney for the Department of Health, whose name appears below, at least five days prior to the scheduled date of the proceeding. Adjournment requests are not routinely granted. Claims of court engagement will require detailed affidavits of actual engagement. Claims of illness will require medical documentation. The Committee will make a written report of its findings, conclusions as to guilt, and a determination. Such determination may be reviewed by the administrative review board for professional medical conduct.

THESE PROCEEDINGS MAY RESULT IN A DETERMINATION THAT YOUR LICENSE TO PRACTICE MEDICINE IN NEW YORK STATE BE REVOKED OR SUSPENDED, AND/OR THAT YOU BE FINED OR SUBJECT TO OTHER SANCTIONS SET OUT IN NEW YORK PUBLIC HEALTH LAW §§230-a. YOU ARE URGED TO OBTAIN AN ATTORNEY TO REPRESENT YOU IN THIS MATTER.

ROBERT HALLETT, M.D., the Respondent, was authorized to practice medicine in New York State on or about September 4, 1973, by the issuance of license number 117236 by the New York State Education Department.

**FACTUAL ALLEGATIONS**

A. On or about August 16, 2019, Respondent and the Texas Medical Board (hereinafter, "Texas Board") entered into an Agreed Order (hereinafter, "Order"), which: prohibited Respondent from engaging in the practice of Interventional Cardiology; limited Respondent's medical practice to a group or an institutional setting with prior approval; directed Respondent to abstain from prohibited substances including alcohol and controlled substances unless prescribed by another physician for legitimate purposes; directed Respondent to participate in the Texas Board's drug testing program; directed Respondent to undergo psychiatric and psychological treatment; and directed Respondent to undergo a neurological evaluation. hallucinogens, or other drugs having similar effects, or having a psychiatric condition which impairs the licensee's ability to practice).

**SPECIFICATION OF CHARGES**

**HAVING HAD DISCIPLINARY ACTION TAKEN**
