NEW YORK STATE DEPARTMENT OF HEALTH
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER
OF
THOMAS PANICO, M.D.

STATEMENT
OF
CHARGES

THOMAS PANICO, M.D., the Respondent, was authorized to practice medicine in New York State on or about April 16, 1997, by the issuance of license number 206386 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about September 17, 2015, the Mississippi State Board of Medical Licensure ("MS Board") issued a Determination and Order ("Order") on the Respondent's Mississippi medical license. The Order was based on the Respondent's request for authorization to return to practice. Pursuant to authority granted in a Recovery Contract Agreement, entered into on or about March 10, 2014, with the Respondent, the MS Board issued an Order of Prohibition on May 21, 2015, prohibiting the Respondent from practicing medicine until such time as the MS Board and the Mississippi Professionals Health Program ("MPHP") determine that the Respondent is able to return to the practice of medicine. The Respondent's request for authorization to return to practice (lifting the Order of Prohibition) was denied.

B. The conduct resulting in the MS Board's disciplinary action against the Respondent would constitute misconduct under the laws of New York State pursuant to the following sections of New York State Law:

1. N.Y. Educ. Law § 6530(8) (Being a habitual abuser of alcohol or being dependent on or a habitual user of narcotics, barbiturates, amphetamines, hallucinogens, or other drugs having similar effects, or having a psychiatric condition which impairs the licensee's ability to practice).

SPECIFICATION OF CHARGES

HAVING HAD DISCIPLINARY ACTION TAKEN

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having his or her license to practice medicine revoked, suspended or having other disciplinary action taken, or having his or her application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his or her license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state as alleged in the facts of the following:

1. The facts in Paragraphs A, B and B1.
