IN THE MATTER

OF

KEVIN JAMIL, M.D.

STATEMENT

OF

CHARGES

KEVIN JAMIL, M.D., the Respondent, was authorized to practice medicine in New York State on or about 11/02/2015, by the issuance of license number 282224 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about 06/06/2018, Respondent entered into a Consent Order and Stipulation with the Michigan Board of Medicine (hereinafter "Michigan Board"). The Consent Order and Stipulation imposed disciplinary action against Respondent based on a finding that Respondent's conduct constituted a practice or condition that impairs, or may impair, the ability to safely and skillfully engage in the practice of the health profession; that his conduct demonstrated a substance abuse disorder; and that his conduct constituted obtaining, possessing, selling, or prescribing, giving away, or administering drugs other than for lawful diagnostic or therapeutic purposes. The findings were based on an Administrative Complaint dated 05/01/2018 after Respondent was twice treated for a drug overdose in March of 2018. The Consent Order and Stipulation ordered Respondent to a period of two years' probation, with various terms and conditions including that he enter into a disciplinary monitoring agreement with the Health Professional Recovery Program (HPRP) and pay a \$5,000.00 fine.

B. The conduct resulting in the Michigan disciplinary action against Respondent would constitute misconduct under the laws of New York State pursuant to the following sections of New York State Law:

1. New York Education Law § 6530(8) (being dependent on or a habitual user of narcotics, barbiturates, amphetamines, hallucinogens, or other drugs having similar effects, which impairs the licensee's ability to practice)

SPECIFICATION OF CHARGES
HAVING HAD DISCIPLINARY ACTION TAKEN

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having his or her license to practice medicine revoked, suspended or having other disciplinary action taken, or having his or her application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his or her license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state (namely N.Y. Educ. Law §§ 6530[8]) as alleged in the facts of the following:

1. Paragraphs A and B.
