FACTUAL ALLEGATIONS

- A. On or about March 27, 2019, the Physician Assistant Board of the Medical Board of California ("Board") issued a Decision, effective April 26, 2019, based on a Stipulated Settlement and Disciplinary Order signed by Respondent on or about February 14, 2019 and dated on or about February 18, 2019. Pursuant to the terms of the Stipulated Settlement and Disciplinary Order, which the Decision incorporated, Respondent did not contest charges that she had committed professional misconduct by inappropriately prescribing, failing to maintain adequate and accurate medical records, failing to seek appropriate consultations, and/or in failing to seek adequate physician supervision, in various combinations, in her care and treatment of three patients. Pursuant to the settlement and the Decision, Respondent was made subject to a stayed revocation, and placed on supervised probation for a period of five years on terms including continuing medical education as well as a medical record keeping course and a prescribing practices course. The Decision also imposed other standard conditions.

C. The conduct resulting in the Board's Decision and Order against Respondent would constitute misconduct under the laws of New York State pursuant to New York Education Law Section 6530(3) (negligence), (24) (performing services without adequate supervision) and/or (32) (failure to maintain an accurate record).
