NEW YORK STATE DEPARTMENT OF HEALTH
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER
OF
FRANCIS X. WALSH, M.D.

STATEMENT
OF
CHARGES

FRANCIS X. WALSH, M.D., the Respondent, was authorized to practice medicine in New York State on or about December 12, 1968, by the issuance of license number 102855 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about January 14, 2019, by Consent Order, the Connecticut Medical Examining Board (hereinafter, "Connecticut Board"), reprimanded Respondent's license, assessed a \$3,000 fine, and placed Respondent's license on probation for six months, during which time Respondent's practice is to be supervised and Respondent is to attend and successfully complete courses in controlled substance prescribing practices and documentation standards. This Consent Order was issued pursuant to the Connecticut Board's allegations, which Respondent chose not to contest, that at various times in 2015 and/or 2016, for one or more patients, Respondent prescribed opioids and benzodiazepines without adequate documentation of examinations, diagnoses, treatment plans, treatment goals, or justification for potentially dangerous dosing and combination of medications. These facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut §20-13c, including, but not limited to §20-13c(4).

B. The conduct resulting in the Connecticut Board's disciplinary action against Respondent would constitute misconduct under the laws of New York State pursuant to the following Section of New York State Law:

1. New York Education Law § 6530(3) (Practicing the profession with negligence on more than one occasion); and
2. New York Education Law § 6530(32) (Failing to maintain a record for each patient which accurately reflects the evaluation and treatment of the patient).

SPECIFICATION OF CHARGES
HAVING HAD DISCIPLINARY ACTION TAKEN

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having his or her license to practice medicine revoked, suspended or having other disciplinary action taken, or having his or her application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his or her license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state (namely N.Y. Educ. Law §§ 6530(3) and (32)) as alleged in the facts of the following:

1. The facts in Paragraphs A and B and B.1 and/or A and B and B.2.
