IN THE MATTER
OF
BRANDON BREVIG, D.O.

STATEMENT
OF
CHARGES

BRANDON BREVIG, D.O., the Respondent, was authorized to practice medicine in New York State on or about March 20, 2012, by the issuance of license number 264681 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about February 6, 2020, the Idaho State Board of Medicine (hereinafter, "Idaho Board") issued a Stipulation and Order Decision which directed Respondent, for a minimum of five years: not to engage in any solo clinical practice; not treat female patients in any setting involving direct contact; be subject to a monitor, to enter counseling, and take a Board approved sexual boundaries course. This disciplinary action was based on complaints, which Respondent did not deny, that he sent two female patients sexually inappropriate messages through a self-deleting messaging app.

B. The conduct resulting in the Idaho Board's disciplinary action against Respondent would constitute misconduct under the laws of New York State pursuant to the following Section of New York State Law:

1. New York Education Law § 6530(20) (Conduct in the practice of medicine which evidences moral unfitness to practice medicine).

SPECIFICATION OF CHARGES

HAVING HAD DISCIPLINARY ACTION TAKEN

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having his or her license to practice as a physician assistant revoked, suspended or having other disciplinary action taken, or having his or her application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his or her license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state (namely N.Y. Educ. Law § 6530(20)) as alleged in the facts of the following:

1. The facts in Paragraphs A and B and B.1.
