STATEMENT
OF
CHARGES

ALEXANDER KRAKOVSKY, M.D., the Respondent, was authorized to practice medicine in New York State on or about March 13, 2013, by the issuance of license number 269171 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about February 24, 2021, the Medical Board of California, Department of Consumer Affairs, State of California (“CA Board”) adopted as the Decision and Order the Stipulated Settlement and Disciplinary Order (“Order”) between the Respondent and the CA Board. The Order was based on the Respondent’s failure to properly obtain informed consent forms and perform unapproved, unregulated procedures on multiple patients. The Respondent’s license was revoked but stayed and placed on probation for seven years. The Respondent was ordered to complete continuing medical education, a medical record keeping course, and enroll in a clinical competence assessment program. The Respondent was prohibited from engaging in the solo practice of medicine, prohibited from performing phalloplasty, and prohibited from supervising physician assistants and advanced practice nurses.

B. The conduct resulting in the CA Board's disciplinary action against the Respondent would constitute misconduct under the laws of New York State pursuant to the following section of New York State Law:

1. N.Y. Educ. Law § 6530(3) (Practicing the profession of medicine with negligence on more than one occasion); and/or
2. N.Y. Educ. Law § 6530(4) (Practicing the profession of medicine with gross negligence on a particular occasion); and/or
3. N.Y. Educ. Law § 6530(5) (Practicing the profession of medicine with incompetence on more than one occasion); and/or
4. N.Y. Educ. Law § 6530(32) (Failing to maintain a record for each patient which accurately reflects the evaluation and treatment of the patient).

SPECIFICATION OF CHARGES

Law § 6530(9)(d) by having the Respondent's license to practice medicine revoked, suspended or having other disciplinary action taken, or having the Respondent's application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered the Respondent's license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license

would, if committed in New York state, constitute professional misconduct under the laws of New York state as alleged in the facts of the following:
