STATEMENT  
OF  
CHARGES

Cloudaldo Soriano Orquiza III, M.D., the Respondent, was authorized to practice medicine in New York State on or about May 9, 1996, by the issuance of license number 202907 by the New York State Education Department.

**FACTUAL ALLEGATIONS**

A. On or about August 30, 2021, Respondent entered into a disciplinary Consent Order with the State of New Jersey Department of Law and Public Safety Division of Consumer Affairs State Board of Medical Examiners (hereinafter “the New Jersey Board”). Among other terms and conditions, the New Jersey Board: actively suspended Respondent for a period of two years; mandated that the Respondent be evaluated, including a psychosexual evaluation, and satisfactorily complete any recommendations and/or treatments; complete courses in boundaries, ethics, and record keeping; and pay fines of \$60,000 and \$629. To

reapply for licensure, Respondent would need to appear before a committee to demonstrate his fitness to resume practice and demonstrate compliance. The Consent Order, which Respondent entered into "without making any admissions," was based on a complaint alleging that Respondent "deviated from the standard of care by providing negligent medical treatment and engaged in sexually inappropriate conduct with two nurses" at the allergy clinic housed at his practice.

1. The conduct resulting in the Order would constitute misconduct under the laws of New York State, pursuant to the following sections of New York State Law:
