IN THE MATTER

OF

AARON MAYBERRY, M.D.

STATEMENT
OF
CHARGES

AARON MAYBERRY, M.D., the Respondent, was authorized to practice medicine in New York State on or about April 25, 2000, by the issuance of license number 217251 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about May 22, 2017, the New Mexico Medical Board (hereinafter "New Mexico Board") issued a Stipulation of Licensure and Order of Reprimand which imposed a reprimand, assessed a \$1,000 fine, and directed Respondent to complete a course in Practical Medical Ethics and Professionalism. The disciplinary action was based on findings that the New Mexico Board had sufficient evidence to prove that Respondent failed to adequately supervise a medical or surgical assistant or technician or professional licensee who renders health care.

B. The conduct resulting in the New Mexico Board's disciplinary action against Respondent would constitute misconduct under the laws of New York State pursuant to the following section of New York State Law:

1. New York Education Law § 6530(33) (Failing to exercise appropriate supervision over persons who are authorized to practice only under the supervision of the licensee).

SPECIFICATION OF CHARGES
HAVING HAD DISCIPLINARY ACTION TAKEN

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having his or her license to practice medicine revoked, suspended or having other disciplinary action taken, or having his or her application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his or her license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state (namely N.Y. Educ. Law § 6530(33)) as alleged in the facts of the following:

1. Paragraphs A, B, and B.1
