IN THE MATTER
OF
SHANNON CALHOUN, D.O.

STATEMENT
OF
CHARGES

SHANNON CALHOUN, D.O., the Respondent, was authorized to practice medicine in New York State on or about November 28, 2007, by the issuance of license number 246871 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about August 26, 2021, Respondent and the Colorado Medical Board (hereinafter, "Colorado Board") entered into a Stipulation and Final Agency Order which placed Respondent's license on five years' probation, during which time Respondent is to abstain from the use of alcohol or any habit-forming drug, other than prescribed by an authorized person, and receive treatment and monitoring from the Colorado Physician Health Program. The disciplinary action was based upon findings that Respondent has a physical or mental illness or condition that renders him unable to perform a medical service with reasonable skill and with safety to patients in the absence of treatment monitoring and that Respondent habitually or excessively used or abused alcohol.

B. The conduct resulting in the Colorado Board's disciplinary action against Respondent would constitute misconduct under the laws of New York State pursuant to the following Sections of New York State Law:

1. New York Education Law § 6350(8) (Being a habitual abuser of alcohol or being dependent on or a habitual user of narcotics).

SPECIFICATION OF CHARGES
HAVING HAD DISCIPLINARY ACTION TAKEN

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having the Respondent's license to practice medicine revoked, suspended or having other disciplinary action taken, or having the Respondent's application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered the Respondent's license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state (namely N.Y. Educ. Law § 6530(8)) as alleged in the facts of the following:

1. Paragraph A and B and B1.
