A Notice of Referral Proceeding and Statement of Charges dated August 9, 2022, and a Commissioner's Order of Summary Action dated August 10, 2022 were duly served upon John Cosby, D.O. (Respondent). (Exhibits 1, 2, 4, 5.) A hearing was held on October 19, 2022 via WebEx videoconference. Pursuant to § 230(10)(e) of the Public Health Law (PHL), **STEVEN M. LAPIDUS, M.D.**, Chairperson, **ELISA J. WU, M.D.**, and **JOAN MARTINEZ MCNICHOLAS**, duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee. **NATALIE J. BORDEAUX, ADMINISTRATIVE LAW JUDGE (ALJ)**, served as the Administrative Officer.

The Department appeared by Marc S. Nash, Associate Counsel. The Respondent did not appear. The Hearing Committee received and examined documents from the Department (Exhibits 1-9). A transcript of the proceeding was made.

After consideration of the entire hearing record, the Hearing Committee hereby issues this determination. All findings, conclusions, and determinations are unanimous.

**JURISDICTION**

The Department brought the case pursuant to PHL § 230(10)(p), which provides for a hearing when a licensee is charged solely with a violation of Education Law § 6530(9). The Respondent is

charged with professional misconduct pursuant to Education Law § 6530(9)(a)(ii), by having been convicted of committing an act constituting a crime under federal law. Hearing procedures are set forth in Department regulations at 10 NYCRR Part 51. Under PHL §230(10), the Department had the burden of proving its case by a preponderance of the evidence.

### **FINDINGS OF FACT**

1. On September 20, 1999, the Respondent was authorized to practice medicine in New York by the Education Department and was issued license number 215852. (Exhibit 9.)

2. On April 6, 2022, the Respondent was convicted in the United States District Court for the Southern District of Florida, following his guilty plea, to one felony count of Conspiracy to Dispense and Distribute Controlled Substances, in violation of 21 U.S.C. § 846. From in or around July 2017 through July 2019, the Respondent conspired to distributed and dispense a mixture containing a detectable amount of oxycodone, a Schedule II controlled substance. He was sentenced to 36 months' imprisonment followed by two years of supervised release and assessed a criminal monetary penalty of \$100. (Exhibit 7.)

## DISCUSSION

Although the Respondent was duly served with notice of the hearing, he failed to respond or appear at the hearing to present any evidence to contest the stated charge. The Department having established jurisdiction and proper notice, the ALJ determined that the hearing could proceed on the merits despite the Respondent's absence.

The Hearing Committee reviewed the Department's evidence showing the Respondent's conviction in the United States District Court for the Southern District of Florida for the federal crime of Conspiracy to Dispense and Distribute Controlled Substances, in violation of 21 U.S.C. § 846. Based on this conviction, the Hearing Committee determined that the Respondent violated Education Law § 6530(9)(a)(ii) and sustained the charge.

In consideration of the full spectrum of penalties under PHL § 230-a, the Hearing Committee agreed with the Department's recommendation that revocation of the Respondent's medical license was warranted. The Hearing Committee considered that the Respondent's conduct leading to his criminal conviction involved using his medical license in the conspiracy to dispense and distribute controlled substances. From these actions, the Hearing Committee concluded that the Respondent showed clear disregard for the law, and for the integrity of his medical license. The Respondent's failure to appear for this hearing and address the Hearing Committee only reinforced that conclusion.

## ORDER

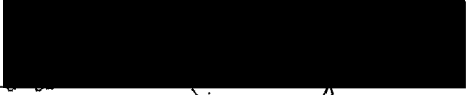

### **IT IS HEREBY ORDERED THAT:**

1. The specification of professional misconduct, as set forth in the Statement of Charges, is sustained.

2. The Respondent's license to practice medicine in the state of New York is revoked pursuant to PHL § 230-a(4).

3. This Order shall be effective upon service on the Respondent in compliance with PHL § 230(10)(h).
