Chair
State Board for Professional Medical Conduct

NEW YORK STATE DEPARTMENT OF HEALTH
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

**IN THE MATTER
OF
STEPHANIE TERESE DAMODAR, P.A.**

CONSENT
AGREEMENT

STEPHANIE TERESE DAMODAR, P.A., represents that all of the following statements are true:

That on or about October 20, 2005, I was licensed to practice as a physician assistant in the State of New York, and issued License No. 010938 by the New York State Education Department.

My current address is [REDACTED] and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one or more specifications of professional misconduct, as set forth in a Statement of Charges, marked as Exhibit "A", attached to and part of this Consent Agreement.

I agree not to contest the allegations, in full satisfaction of the charges against me, and agree to the following penalty:

Pursuant to N.Y. Pub. Health Law § 230-a(1), I shall be subject to a Censure and Reprimand.

Pursuant to N.Y. Pub. Health Law § 230-a(9), I shall be placed on probation for a period of thirty six (36) months, subject to the terms set forth in attached Exhibit "B."

Pursuant to N.Y. Pub. Health Law §§ 230-a(7) and (9), I shall be subject to a fine in the amount of five thousand dollars (\$5,000), to be paid in full within six months of the effective date of this Order. Payments must be submitted

to:

Bureau of Accounts Management
New York State Department of Health
Corning Tower, Room 2784
Empire State Plaza
Albany, New York 12237

In making such payment, Respondent shall indicate the order number of this Order both on the payment check submitted and on the cover letter accompanying payment. Additionally, Respondent shall simultaneously mail a photocopy of the check and cover letter to:

Physician Monitoring Program
Office of Professional Medical Conduct
Riverview Center
150 Broadway, Suite 355
Albany, New York 12204-2719.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall comply with each and every penalty imposed by this Order pursuant to N.Y. Pub. Health Law § 230-a.

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Riverview Center, 150 Broadway, Suite 355, Albany, New York 12204-2719, with the following information, in writing, and ensure that this information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and

telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Respondent shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information. This condition shall take effect 30 days after the Order's effective date and shall continue at all times until Respondent receives written notification from the Office of Professional Medical Conduct, Physician Monitoring Program, that OPMC has determined that Respondent has fully complied with and satisfied the requirements of the Order, regardless of tolling; and

Respondent, by making this application, asserts that Respondent does not currently practice as a physician assistant in New York State or in any setting or jurisdiction where that practice is predicated upon Respondent's New York State physician assistant license ("New York Practice"). As a Condition of this Order, should Respondent decide to resume practicing as a physician assistant in New York, Respondent shall, before beginning such practice, provide 90 days advance written notice to the Director of OPMC. Respondent may not begin practicing as a physician assistant in New York until after Respondent receives the Director's written acknowledgment that this Condition has been satisfied, and shall be subject to any further Conditions the Director may impose upon Respondent's New York Practice based on matters underlying this Consent Agreement and/or any

circumstances or information known to the Director at the time of Respondent's proposed return to New York Practice. Respondent, by making this Application, stipulates that the Director shall be authorized in the Director's sole discretion to impose whatever further Conditions the Director deems appropriate upon Respondent's return to practice in New York, and Respondent further stipulates that Respondent's failure to comply with these Conditions shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29); and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order **shall** be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities or other confidential information, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

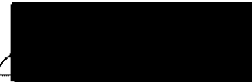

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

EXHIBIT "A"

IN THE MATTER
OF
STEPHANIE TERESE DAMODAR, P.A.

STATEMENT
OF
CHARGES

STEPHANIE TERESE DAMODAR, P.A., the Respondent, was authorized to practice as a physician assistant in New York State on or about October 20, 2005, by the issuance of license number 010938 by the New York State Education Department.

FACTUAL ALLEGATIONS

- A. On or about April 30 2021, the Virginia Board of Medicine (“Board”) entered into a Consent Order with Respondent, signed by Respondent on or about April 20, 2021. Pursuant to the terms of the Consent Agreement, Respondent neither admitted nor denied the allegations. However, the Board stated in its Findings of Fact that Respondent had violated several provisions of the Virginia Code by issuing prescriptions to four individuals beyond the scope of her physician assistant’s practice agreement, and outside of a bona fide practitioner-patient relationship. Some of the prescriptions were for controlled substances. The Board reprimanded Respondent, and required her to provide a satisfactory written attestation that she has read and will comply with Board laws and regulations addressing professional conduct and proper prescribing, and attest that Respondent’s future practice will be solely within the scope of practice for a physician assistant and the limits of her practice agreement.

- B. The conduct resulting in the Board’s Decision and Order against Respondent would constitute misconduct under the laws of New York State pursuant to New York Education Law § 6530(3) (negligence).

SPECIFICATION OF CHARGES

FIRST SPECIFICATION
HAVING HAD DISCIPLINARY ACTION TAKEN

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having the Respondent's license to practice medicine revoked, suspended or having other disciplinary action taken, or having the Respondent's application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered the Respondent's license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state (namely N.Y. Educ. Law § 6530(3)) as alleged in the facts of the following:

1. The facts in Paragraphs A and B.

Deputy Director
Bureau of Professional Medical Conduct

EXHIBIT "B"

Terms of Probation

- 1) Respondent's conduct shall conform to moral and professional standards of conduct and governing law. Any act of professional misconduct by Respondent as defined by N.Y. Educ. Law §§ 6530 or 6531 shall constitute a violation of probation and may subject Respondent to an action pursuant to N.Y. Pub. Health Law § 230(19).
- 2) Respondent shall cooperate fully with, and respond in a timely manner to, OPMC requests to provide written periodic verification of Respondent's compliance with the terms of this Consent Order. Upon the Director of OPMC's request, Respondent shall meet in person with the Director's designee.
- 3) Respondent's failure to pay any monetary penalty by the prescribed date shall subject Respondent to all provisions of law relating to debt collection by New York State, including but not limited to: the imposition of interest, late payment charges and collection fees; referral to the New York State Department of Taxation and Finance for collection; and non-renewal of permits or licenses [Tax Law § 171(27); State Finance Law § 18; CPLR § 5001; Executive Law § 32].
- 4) The probation period shall toll when Respondent is not engaged in active practice as a physician assistant in New York State for a period of 30 consecutive days or more. Respondent shall notify the Director of OPMC, in writing, if Respondent is not currently engaged in, or intends to leave, active practice as a physician assistant in New York State for a consecutive 30 day period. Respondent shall then notify the Director again at least 14 days before returning to active practice. Upon Respondent's return to active practice in New York State, the probation period shall resume and Respondent shall fulfill any unfulfilled probation terms and such additional requirements as the Director may impose as reasonably relate to the matters set forth in Exhibit "A" or as are necessary to protect the public health.
- 5) The Director of OPMC may review Respondent's professional performance. This review may include but shall not be limited to: a review of office records, patient records, hospital charts, and/or electronic records; and interviews with or periodic visits with Respondent and staff at practice locations or OPMC offices.
- 6) Respondent shall adhere to federal and state guidelines and professional standards of care with respect to infection control practices. Respondent shall ensure education, training and oversight of all office personnel involved in medical care, with respect to these practices.

- 7) Respondent shall maintain complete and legible medical records that accurately reflect the evaluation and treatment of patients and contain all information required by State rules and regulations concerning controlled substances.

- 8) No more than 30 days after the Consent Order's effective date, Respondent shall practice as a physician assistant only when subject to review by a licensed physician, board-certified in an appropriate specialty, (henceforth "practice and records supervisor") proposed by Respondent and subject to the Director of OPMC's written approval. No more than 30 days after learning that the approved practice and records supervisor is no longer willing or able to serve or no more than 30 days after having been notified by the Director that the practice and records supervisor has been discharged for cause, which shall include but not be limited to the inadequacy of the practice and records supervisor's reports and/or performance, Respondent shall have an approved successor in place, subject to the Director's written approval. Upon approval, the new practice and records supervisor shall perform the duties described in Paragraphs (a) and (c) below. Regardless of the reason necessitating a replacement, if the Director does not approve Respondent's proposed new practice and records supervisor, Respondent shall immediately cease practicing as a physician assistant, unless notified by the Director, in writing, of an extension, which may be granted at the Director's discretion. In that event, Respondent shall propose another practice and records supervisor, which the Director has 30 days to approve or disapprove until a practice and records supervisor is accepted. Any practice by Respondent as a physician assistant in violation of this term shall constitute unauthorized practice.
 - a) The Practice and Records Supervisor shall not be Respondent's on-site supervising physician and shall not be in an employment relationship with Respondent. Respondent shall make available to the Practice and Records Supervisor any and all records or access to the practice requested by the Practice and Records Supervisor, including on-site observation. The Practice and Records Supervisor shall visit each and every location where Respondent practices as a physician assistant, on a random unannounced basis at least monthly, and shall examine a selection (no fewer than 20) of records maintained by Respondent, including patient records, prescribing information and office records. The review will determine whether the Respondent's practice as a physician assistant is conducted in accordance with the generally accepted standards of the profession. Any perceived deviation of accepted standards of medical care or refusal to cooperate with the Practice and Records Supervisor shall be reported within 24 hours to OPMC.

- b) Respondent shall be solely responsible for all expenses associated with the Practice and Records Supervisor's review, including fees, if any, to the Practice and Records Supervisor.
 - c) Respondent shall cause the Practice and Records Supervisor to report quarterly, in writing, to the Director of OPMC.
 - d) The period during which Respondent's practice as a physician assistant shall be subject to review by a Practice and Records Supervisor, and all related Conditions, shall toll when Licensee is not engaged in active practice as a physician assistant in New York State for 30 consecutive days or more pursuant to the provisions of paragraph 4, above.
- 9) Respondent shall enroll in and successfully complete continuing education as directed by the Office of Professional Medical Conduct, including in the area of prescribing, subject to the Director of OPMC's prior written approval.
- 10) Respondent shall comply with this Consent Order and all its terms, and shall bear all associated compliance costs. Upon receiving evidence of noncompliance with, or a violation of, these terms, the Director of OPMC and/or the Board may initiate a violation of probation proceeding, and/or any other such proceeding authorized by law, against Respondent.
