NEW YORK STATE DEPARTMENT OF HEALTH
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER
OF
JOHN WALL, M.D.

CONSENT
AGREEMENT

JOHN WALL, M.D., represents that all of the following statements are true:

That on or about September 8, 2008, I was licensed to practice as a physician in the State of New York and issued License No. 260273 by the New York State Education Department.

My current address is [REDACTED] and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one or more specifications of professional misconduct, as set forth in a Statement of Charges, marked as Exhibit "A", attached to and part of this Consent Agreement.

I agree not to contest the allegations in full satisfaction of the charges against me, and agree to the following penalty:

Respondent, by making this application, asserts that Respondent does not currently practice medicine in New York State or in any setting or jurisdiction where that practice is predicated upon Respondent's New York State medical license ("New York Practice"). As a Condition of this Order, should Respondent decide to resume practicing medicine in New York, Respondent shall, before beginning such practice, provide 90 days advance written notice to the Director of OPMC. Respondent may not begin practicing medicine in New York until after Respondent receives the Director's written acknowledgment that this Condition has been satisfied and shall be subject to any further Conditions the Director may impose upon Respondent's New York Practice based on matters underlying this Consent Agreement and/or any circumstances or information known to the Director at the time of Respondent's proposed return to New York Practice. Respondent, by making this Application, stipulates that the Director shall be authorized in the Director's sole discretion to impose whatever further Conditions the Director deems appropriate upon Respondent's return to practice in New York, and Respondent further stipulates that Respondent's failure to comply with these Conditions shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29)

Should the Respondent resume practicing medicine in New York, he shall enroll in and complete Continuing Medical Education courses at the direction of the Director of OPMC.

COMPLIANCE WITH OUT-OF-STATE BOARD ORDER

- 1) Respondent shall comply fully with the January 18, 2023 Final Decision and Order of the Wisconsin Medical Examining Board and any extension or modification thereof.

- 2) Respondent shall provide a written authorization for the Wisconsin Medical Examining Board to provide the Director of OPMC with any/all information or documentation as requested by OPMC to enable OPMC to determine whether Respondent is in compliance with the Wisconsin Order.\

REVIEW OF PRESCRIBING PRACTICES

- 1) Respondent shall comply with all requirements of Article 33 of the Public Health Law and of New York State Department of Health regulations, including but not limited to all requirements related to consultation of the iStop / Prescription Monitoring Program (PMP) Registry when writing prescriptions for Schedule II, III, and/or IV controlled substances, pursuant to Public Health Law Section 3343-a and 10 NYCRR 80.63. Respondent shall meet as requested with OPMC to provide proof of compliance.

- 2) Respondent shall maintain, in a format that is acceptable to OPMC, for three years, a log of all ordering, prescribing, administering and/or dispensing of all controlled substances.

- a) This log shall include the following information: the drug, the dose, the patient, the diagnosis, the date that the drug was prescribed, and such other information related to ordering, prescribing, administering and/or dispensing as may be requested by OPMC. The log shall also include all information related to compliance with IStop /PMP Registry consultation requirements, including a notation of all IStop / PMP Registry consultations performed, including the date and time performed, and the information contained in the registry upon each consultation. The log entry shall not, by itself, satisfy Respondent's obligation to document consultation with the IStop / PMP Registry in a patient's medical chart.
- b) This log shall be subject to review by OPMC, and the records of any patient referenced in this log, immediately available to OPMC, upon demand.
- c) The prescription log period shall toll when Respondent is not engaged in active medical practice in New York State for a period of 30 consecutive days or more. Respondent shall notify the Director of OPMC, in writing, if Respondent is not currently engaged in, or intends to leave, active medical practice in New York State for a consecutive 30 day period. Respondent shall then notify the Director again at least 14 days before returning to active practice. Upon Respondent's return to active practice in New York State, the prescription log period shall resume.

That Respondent shall comply with each, and every penalty imposed by this Order pursuant to N.Y. Pub. Health Law § 230-a; and

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall remain in continuous compliance with all requirements of N.Y. Pub. Health Law § 2995-a(4) and 10 NYCRR 1000.5, including but not limited to the requirements that a licensee shall: report to the department all information required by the Department to develop a public physician profile for the licensee; continue to notify the department of any change in profile information within 30 days of any change (or in the case of optional information, within 365 days of such change); and, in addition to such periodic reports and notification of any changes, update his or her profile information within six months prior to the expiration date of the licensee's registration period. Licensee shall submit changes to his or her

physician profile information either electronically using the department's secure web site or on forms prescribed by the department, and licensee shall attest to the truthfulness, completeness and correctness of any changes licensee submits to the department. This condition shall take effect 30 days after the Order's effective date and shall continue so long as Respondent remains a licensee in New York State. Respondent's failure to comply with this condition, if proven and found at a hearing pursuant to N.Y. Pub. Health Law § 230, shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(21) and N.Y. Educ. Law § 6530(29). Potential penalties for failure to comply with this condition may include all penalties for professional misconduct set forth in N.Y. Pub. Health Law §230-a, including but not limited to: revocation or suspension of license, Censure and Reprimand, probation, public service and/or fines of up to \$10,000 per specification of misconduct found; and

That Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Riverview Center, 150 Broadway, Suite 355, Albany, New York 12204-2719, with the following information, in writing, and ensure that this information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or

federal agency, institution or facility. Respondent shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information. This condition shall take effect 30 days after the Order's effective date and shall continue at all times until Respondent receives written notification from the Office of Professional Medical Conduct, Physician Monitoring Program, that OPMC has determined that Respondent has fully complied with and satisfied the requirements of the Order, regardless of tolling; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order.

Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order **shall** be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite

powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.
