IN THE MATTER

OF

DWIGHT M. WILLIAMS, M.D.

STATEMENT
OF
CHARGES

DWIGHT M. WILLIAMS, M.D., the Respondent, was authorized to practice medicine in New York State on or about December 10, 1982, by the issuance of license number 152712 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about January 7, 2022, the North Carolina Medical Board (hereinafter, "North Carolina Board") issued a Consent Order which directed Respondent to engage the Center for Personalized Education for Professionals to develop an educational interventional plan and until the plan is completed, Respondent will not practice independently or as a solo practitioner. In addition, Respondent was ordered not to formally supervise or collaborate with a combined total or more than two physician assistants or nurse practitioners. The disciplinary action was based upon findings that Respondent's medical record keeping and treatment of patients who were receiving controlled substances fell outside the standard of acceptable and prevailing medical practice within the meaning of N.C. Gen. Stat. § 90-14(a)(6).

B. The Conduct resulting in the North Carolina Board's disciplinary action against Respondent would constitute misconduct under the laws of New York State pursuant to the following Sections of New York State Law:

1. New York Education Law § 6530(3) (Practicing the profession with negligence on more than one occasion); and/or

2. New York State Education Law 6530 (32) (Failing to maintain a record for each patient which accurately reflects the evaluation and treatment of the patient).

SPECIFICATION OF CHARGES
HAVING HAD DISCIPLINARY ACTION TAKEN

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having the Respondent's license to practice medicine revoked, suspended or having other disciplinary action taken, or having the Respondent's application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered the Respondent's license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state (namely N.Y. Educ. Law §§ 6530(3) and (32)) as alleged in the facts of the following:

1. Paragraphs A, B and B.1 and/or A, B, and B.2.
