On April 17, 1975 the instant disciplinary proceeding was commenced by service of the notice of hearing and petition upon respondent.

The petition charged respondent with having been convicted of a crime (first specification) and with unprofessional conduct (second specification). A copy of the charges is annexed hereto, made a part hereof, and marked as exhibit "A".

Respondent appeared and was represented by an attorney.

On May 2, 1980 a hearing was held before a Hearing Panel of the Committee on Professional Conduct of the State Board for Medicine.

The Hearing Panel rendered a report of its findings, determination, and recommendation, a copy of which is annexed hereto, made a part hereof, and marked as exhibit "B".

The Hearing Panel found and determined that respondent was guilty of each specification of the charges and recommended that respondent's license to practice as a physician in the State of New York be revoked upon each specification of the charges of which respondent was found guilty, but that execution of said revocation be stayed and that respondent then be placed on probation for a period of one year.

On September 4, 1980 respondent appeared before us in person and was represented by his attorney, Arthur Goldberg, Esq. Petitioner was represented by Louis Meringolo, Assistant Attorney General.

We have carefully reviewed and considered the entire record as well as the statements made before us.

We unanimously recommend that the Board of Regents accept the findings and determination of the Hearing Panel that respondent is guilty of each specification of the charges and also accept its recommendation that respondent's license to practice as a physician in the State of New York be revoked upon each specification of the charges of which respondent was found guilty and that execution of said revocation be stayed at which time respondent be placed on probation for a period of one year. We also unanimously recommend to the Board of Regents

FINDINGS, DETERMINATION AND
RECOMMENDATION OF HEARING PANEL

JULES L. GLASHOW, the respondent herein, was granted license No. 44670 by the New York State Education Department on June 27, 1946 authorizing him to practice medicine in the State of New York.

Respondent is currently registered from addresses at 105 Stevens Avenue, Mount Vernon, New York and 1625 St. Peters Avenue, Bronx, New York 10461.

Respondent was charged in these proceedings with being convicted of a crime within the purview and meaning of Section 6509, subd. 5(b) of the Education Law of the State of New York, in that: In a Three Count Indictment filed in the United States District Court, District of New Jersey, on December 15, 1971, entitled United States of America v. JULES GLASHOW, bearing No. 820-71, respondent herein was charged with violating Title 18, United States Code, §1623 and §2313, in that on or about February 26, 1971, at Upper Saddle River, in the State and District of New Jersey, the respondent did receive a motor vehicle knowing the same to have been stolen, namely, a 1970 Cadillac convertible. That on or about November 24, 1971, the respondent appeared before the United States Grand Jury for the District of New Jersey, impaneled to conduct an investigation into the activities of a stolen car ring, and took an oath that he would testify truthfully as to all questions propounded to him during said Grand Jury proceeding. After having taken said oath to testify, truthfully, the respondent knowingly made false and material declarations in response to certain questions propounded to him during the aforesaid Grand Jury proceeding.

On January 25, 1974, the respondent pled guilty to the offense of knowingly making false statements to a Grand Jury, as alleged in Count Three of the indictment to cover and satisfy the source and was sentenced to probation for a period of two years (2), and ordered to pay a fine of \$5,000.00.

Respondent was further charged with unprofessional conduct within the purview and meaning of Section 6509, subd. 9 of the Education Law for the acts set forth in the First Specification.

The hearing having come on to be heard before us pursuant to a Notice of Hearing, Petition and Charges on May 2, 1980 and the respondent appearing in person with counsel, the parties having had the opportunity to examine and to cross-examine witnesses and examine the documentary evidence; and a stenographic record having been made of the hearings and proceedings herewith, a copy of which is submitted herewith; and documentary evidence having been received, including on behalf of petitioner; an affidavit of service together with a Notice of Hearing, Petition and Charges, Indictment #820-71 U.S.D.C., New Jersey United States v. Glashow, plea and sentencing minutes dated January 25, 1974 and March 15, 1974 and a certificate of conviction dated March 15, 1974.

NOW, UPON DELIBERATION AND CONSIDERATION of the entire record herein, we submit our report, including Findings of Fact, Determination and Recommendation, as follows:

FINDINGS OF FACT

1. JULES L. GLASHOW, the respondent herein, was authorized to engage in the practice of medicine in the State of New York by the New York State Education Department and he is currently registered.
2. We find that on or about December 15, 1971 the respondent was indicted in the United States District Court, District of New Jersey No. CR 820-71 in The Matter of the United States of America v. Jules Glashow for violations of Title 18, U.S.C. §2313 and §1623 by reason of receiving a stolen automobile and making false declarations before a Grand Jury.
3. We find that on or about January 25, 1974 the respondent withdrew a previous plea of not guilty and pleaded guilty to count three (3) of Indictment No. CR820-71 to wit, knowingly making false statements to the Grand Jury to cover the indictment.
4. We find that on or about March 15, 1974 the respondent was sentenced by the Hon. Frederick Lacey to pay a fine of \$5,000 and was placed on probation for two (2) years. Pursuant to the testimony of the respondent we find that the fine was paid and he has been discharged from probation.
5. We find that the respondent, who is also licensed in the State of New Jersey, was suspended from practicing in New Jersey in 1974 for 60 days and placed on ten (10) months probation. Pursuant to his testimony we find the respondent no longer practices in New Jersey and his present offices are in Mount Vernon, New York and the Bronx.
6. We find that the respondent specializes in ear, nose and throat work and has hospital affiliations at Mount Vernon Hospital and Yonkers General Hospital.
7. We find pursuant to his own testimony that the respondent falsified a check stub and knowingly made false statements as to the cost of a cadillac to a duly empaneled Grand Jury investigating stolen automobiles.

DETERMINATION

We find and conclude that the charges contained in the First Specification, paragraph "THIRD", charging the respondent with being convicted of a crime, have been proved by substantial legal evidence and we find the respondent guilty of

the same. We further find and conclude that the charges contained in paragraph "FOURTH", charging the respondent with unprofessional conduct have been proved by substantial legal evidence and we find respondent guilty of the same.

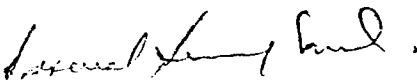

RECOMMENDATION

In determining the measure of discipline to be recommended in this matter, we have taken the entire record into consideration. The respondent pleaded guilty to a serious charge of testifying falsely before a Grand Jury, an act detrimental to not only the respondent but the entire profession. We have taken into account the lapse of time since the incident and the action taken by the New Jersey Board.

We therefore recommend to the Board of Regents that the respondent's license to practice medicine in the State of New York be revoked on each specification of the charges but that the execution of such revocation be stayed and the respondent placed on probation for a period of one (1) year.
