IN THE MATTER
OF
EUGENE J. HANAVAN, Jr., M.D.

CONSENT
AGREEMENT
for surrender of
clinical privileges
and ORDER
BPMC #00-61

Eugene J. Hanavan, Jr. M.D., (Respondent) says:

That on or about July 10, 1946, I was licensed to practice as a physician in the State of New York, having been issued License No. 044354 by the New York State Education Department.

My current address is 77 Broadway, suite 100, Buffalo, NY 14203, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address.

I understand that the New York State Board for Professional Medical Conduct has charged me with one specification of professional misconduct.

A copy of the Statement of Charges is annexed hereto, made a part hereof, and marked as Exhibit "A".

I agree not to contest the specification, in full satisfaction of the charges against me. I hereby agree to the following:

My license to practice medicine in the State of New York shall be permanently limited, pursuant to section 230-a of the Public Health Law, to preclude the practice of medicine. I shall be precluded from patient diagnosing, treating, prescribing or operating for any human condition. I shall, hereinafter, be limited to consulting on medical issues through the review of records.

I agree to comply with the terms of practice limitation attached hereto as Exhibit B.

I further agree that the Consent Order for which I hereby apply shall impose a condition that Respondent shall change his registration status to "inactive" with the New York State Education Department Division of Professional Licensing Services and provide proof of such change to the Director of the Office of Professional Medical Conduct within thirty days of the effective date of this Order. Failure to comply with such condition shall constitute misconduct as defined by New York State Education Law section 6530(29).

I agree that in the event I am charged with professional misconduct in the future, this agreement and order shall be admitted into evidence in that proceeding.

This Agreement and Order shall resolve and conclude any investigation, complaint and charge currently pending within the Office of the State Board of Professional Medical Conduct regarding any matter related to respondent.

I hereby make this Application to the State Board for Professional Medical Conduct (the Board) and request that it be granted.

I understand that, in the event that this Application is not granted by the Board, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such Application shall not be used against me in any way and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the Board shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by the Board pursuant to the provisions of the Public Health Law.

I agree that, in the event the Board grants my Application, as set forth herein, an order of the Chairperson of the Board shall be issued in accordance with same. I agree that such order shall be effective upon issuance by the Board, which may be accomplished by mailing, by first class mail, a copy of the Consent Order to me at the address set forth in this agreement, or to my attorney, or upon transmission via facsimile to me or my attorney, whichever is earliest.

I am making this Application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner. In consideration of the value to me of the acceptance by the Board of this Application, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive any right I may have to contest the Consent Order for which I hereby apply, whether administratively or judicially, and ask that the Application be granted.

1. Respondent shall immediately cease and desist from engaging in the practice of medicine in accordance with the terms of the Order. In addition, Respondent shall permanently refrain from representing himself as being eligible to practice medicine.
2. Respondent shall within fifteen (15) days of the Order notify his patients of the cessation of his medical practice and will refer all patients to another licensed practicing physician for their continued care, as appropriate.
3. Respondent shall make arrangements for the transfer and maintenance of the medical records of his patients. Within thirty days of the effective date of the Order, Respondent shall notify OPAC of these arrangements including the appropriate and acceptable contact person's name, address, and telephone number who shall have access to these records. Original records shall be retained for at least six years after the last date of service rendered to a patient or, in the case of a minor, for at least six years after the last date of service or three years after the patient reaches the age of majority whichever time period is longer. Records shall be maintained in a safe and secure place which is reasonably accessible to former patients. The arrangements shall include provisions to ensure that the information on the record is kept confidential and made available only to authorized persons. When a patient or and/or his or her representative requests a copy of the patient's medical record or requests that the original medical record be forwarded to another health care provider, a copy of the record shall be promptly provided or forwarded at a reasonable cost to the patient (not to exceed seventy-five cents per page.) 6. Respondent shall not share, occupy or use office space in which another licensee provides health care services. Respondent shall cause all signs to be removed within fifteen (15) days and stop all advertisements, professional listings whether in telephone directories or otherwise, professional stationery or billings by which his eligibility to clinically practice is represented.
7. Respondent shall not charge, receive or share any fee or distribution of dividends for professional services rendered by himself or others, except with regard to consulting, due to the retirement from the clinical practice of medicine. Respondent may be compensated for the reasonable value of services lawfully rendered and disbursements incurred on a patient's behalf prior to the effective date of this Order.

8. If Respondent is a shareholder in any professional service corporation organized to engage in the practice of medicine he shall divest himself of all financial interest in the professional services corporation in accordance with New York Business Corporation Law. Such divestiture shall occur within 90 days. If Respondent is the sole shareholder in a professional services corporation, the corporation must be dissolved or sold within ninety (90) days of the effective date of this Order.
