IN THE MATTER
OF
KATIJA HASAN, M.D.

**APPLICATION TO
MODIFY ORDER
AND
SURRENDER
LICENSE**

BPMC #97-255M

KATIJA HASAN, M.D., the Respondent, states that I was authorized to practice medicine in New York State on January 13, 1978, by the issuance of License No. 133393 by the New York State Education Department.

I am not currently registered with the New York State Education Department to practice in the State of New York. My address is 129 Palisade Avenue, Jersey City, NJ 07306.

I am the subject of Order No. BPMC 97-255, annexed hereto, made a part hereof, and marked as Exhibit 1. I am applying to the State Board for Professional Medical Conduct for an Order (henceforth "Modification/Surrender Order"), modifying the original order to limit my license and subsequently to surrender my license to practice medicine in the State of New York. This application to modify the prior order is based upon the fact that I do not now nor do I intend to actively practice medicine in the State of New York, and upon the understanding that this Modification/Surrender Order will be a revision of the original order, with the surrender predicated upon the same matter as was the original order.

I agree that effective February 21, 2000, my license to practice medicine in the State of New York shall be limited, pursuant to §230-a of the Public Health Law, to preclude the practice of medicine. I shall be precluded from patient contact,

diagnosing, treating, prescribing, or operating for any human condition.

I further agree that the Consent Order for which I hereby apply shall impose a condition that effective February 21, 2000, Respondent shall change her registration status to "inactive" with the New York State Education Department Division of Professional Licensing Services and provide proof of such change to the Director of the Office of Professional Medical Conduct within thirty (30) days of the effective date of this Order. Failure to comply with such condition shall constitute misconduct as defined by New York State Education law §6530(29).

I further agree that the Modification/ Surrender Order to be issued will not constitute a new disciplinary action against me, but will substitute this aforesaid limitation on my license effective February 21, 2000, and license surrender effective February 21, 2000, for the sanctions imposed by the original order.

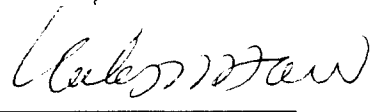

I make this application to the State Board for Professional Medical Conduct (Board) and request that it be granted.

I understand that, in the event that the application is not granted by the Board nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me.

I make this application to the Board and request that it be granted by execution by the Chairperson of the Board of the attached Modification/Surrender Order. I agree that, in the event the Board grants my application, an order shall be issued striking my name from the roster of physicians in the State of New York without further notice to me.

I am making this application of my own free will and accord and not under duress, compulsion or restraint of any manner. In consideration of the Board's granting of this application modify my prior consent order, I fully, freely waive any right I may have to appeal or otherwise challenge the validity of the said modification/surrender order

Date: 3/29/00, 2000

KATIJA HASAN, M.D.

The undersigned agree to the attached application of the Respondent to modify the original order and to surrender his license practice medicine in the State of New York.

My current address is 533 43rd Street, Union City, New Jersey, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address.

I understand that the New York State Board for Professional Medical Conduct has charged me with two specifications of professional misconduct.

A copy of the Statement of Charges is annexed hereto, made a part hereof, and marked as Exhibit A.

I admit guilt to the First Specification, in full satisfaction of the charges against me. I hereby agree to the following penalty:

One year suspension, stayed, with two years probation, subject to the terms set forth in Exhibit B attached.

I further agree that the Consent Order for which I hereby apply shall impose a condition that, except during periods of actual suspension, I maintain current registration of my license with the New York State Education Department Division of Professional Licensing Services, and pay all registration fees. This condition shall be in effect beginning thirty days after the effective date of the Consent Order and continuing until the full term of the Order has run, and until any associated period of probation and all probation terms have been completed and satisfied. I hereby stipulate that any failure by me to comply with such condition shall constitute misconduct as defined by New York State Education Law §6530(29) (McKinney Supp 1997).

I agree that in the event I am charged in New York State with professional misconduct in the future, this agreement and order shall be admitted into evidence in that proceeding.

during the pendency of the professional misconduct disciplinary proceeding; and such denial by the Board shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by the Board pursuant to the provisions of the Public Health Law.

I agree that, in the event the Board grants my Application, as set forth herein, an order of the Chairperson of the Board shall be issued in accordance with same.

I am making this Application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner. In consideration of the value to me of the acceptance by the Board of this Application, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive any right I may have to contest the Consent Order for which I hereby apply, whether administratively or judicially, and ask that the Application be granted.
